Hardin-Jefferson Recognizes Its Debt To The Petroleum Industry

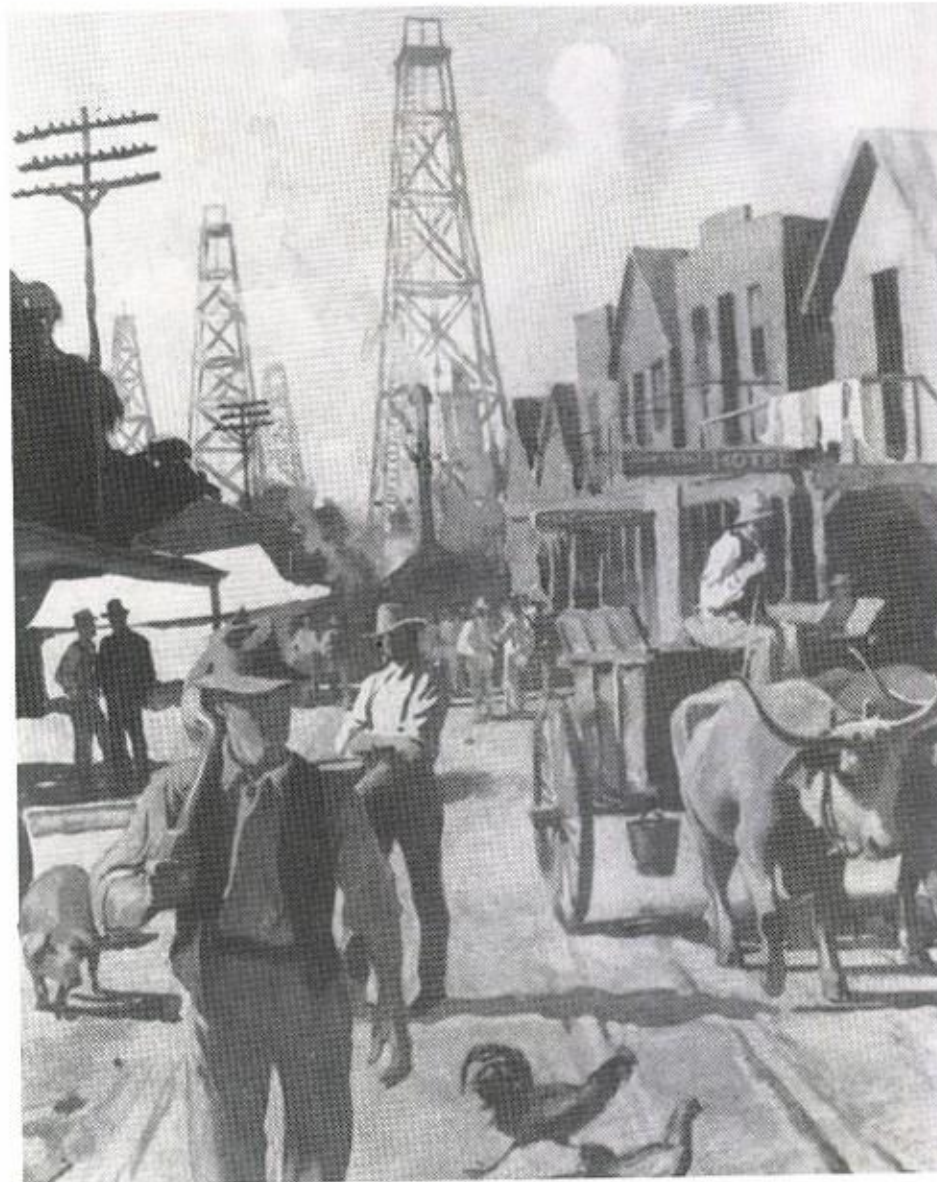

Above is Texaco's first headquarters in Beaumont, Texas.

These men were the crew who brought in Fee #3, Texaco's first producing well.

According to Texaco's authorized history, "Texaco's major growth began in January, 1903, when the Company's Well No. 3 at Sour Lake, not far from the Spindletop field came in as a major discovery. Texaco is still producing some 2,000 barrels a day from this field and is now engaged in enhanced recovery there."

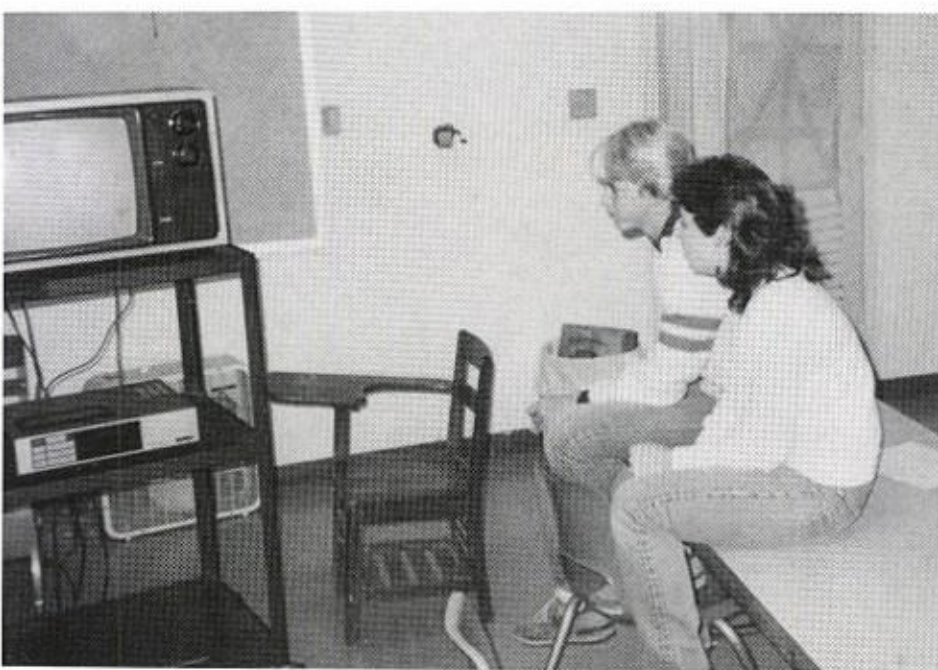

This is an artist's conception of Sour Lake as a boom town in 1902.

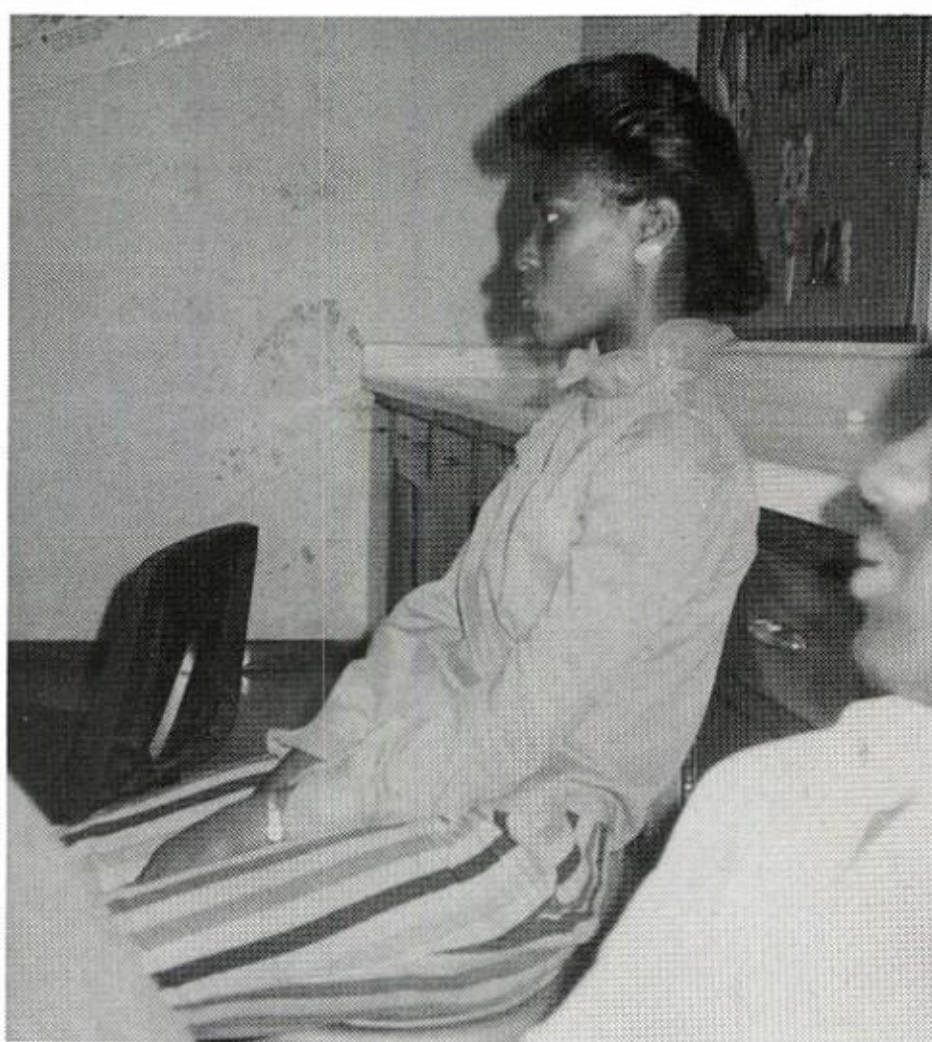

H-J Students Benefit From Tax Revenue From Oil-Related Industries

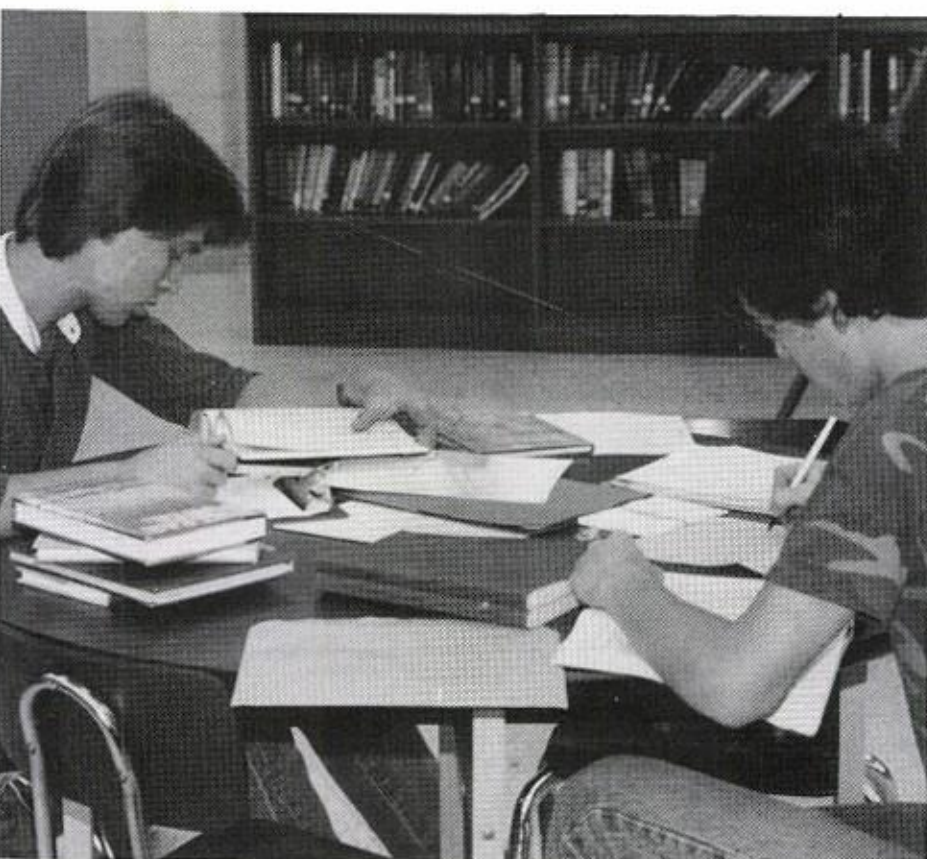

The Homecoming Court watches the crowning of the new queen.

Lou Cappi and Roxanne Kibodeaux watch educational TV.

Yolanda Vinson listens attentively in Home and Family Living class.

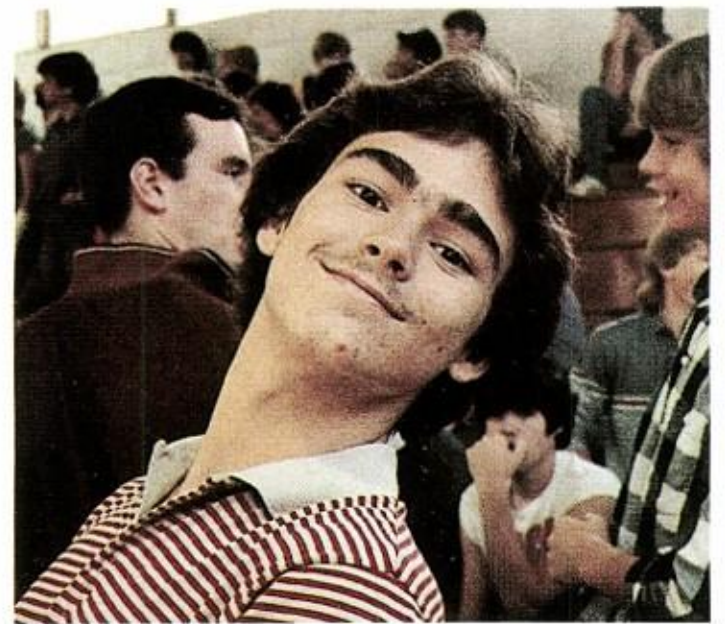

Steve Sabrsula and Les Hatton work on English IV research papers.

Realizing our debt to the petroleum industry, the yearbook staff decided to show its gratitude by honoring them in the 1985 Hawk. Since Texaco's birthplace is Sour Lake and also, because with its taxes, Texaco is the largest supporter of our school district, it was decided that singling out Texaco as our partner in education would reflect appreciation to the industry as a whole.

A Successful Pep Rally Combines Hard Work And Talent

Andy Pricer gets in the mood to cheer for the Hawks.

Holley Castello and Kim Seaman perform to "Thriller."

Carol Benoit, Stephanie Leger, and Tracy Hall do their bit, also to "Thriller."

Sophomores wait for the pep rally to begin.

Pep rallies are the highlights of the week during football season. Students and teachers alike look forward to the Friday spirit session. For them, it is an enjoyable event — nothing to do but go and yell and take part in a splendid “let it all out” event.

For other participants, however, it is a different story. The cheerleaders, the drill team, the flag corps, the band, the players themselves, and the sponsors and coaches have worked hard to prepare an outpouring of spirit that seems spontaneous. Each of these groups works all week to get ready for that thirty-minute show. Many hours of practice go into each pep rally. It is difficult and challenging to come up with a different routine every week, but Hardin-Jefferson's students do just that.

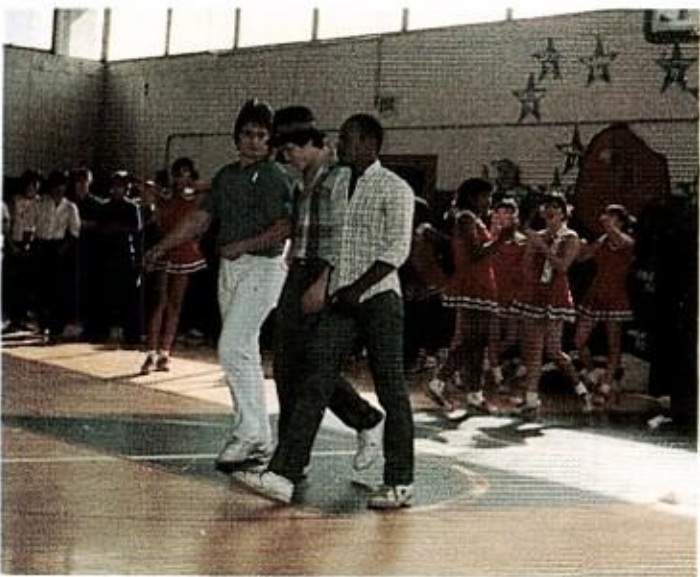

Of course, the pep rally is only a preview of Friday night's game. The purpose is to build spirit and cheer the team on to victory!

Lisa Turner Is Crowned Queen Of H-J Homecoming

Lisa Turner, 1984 Homecoming Queen, is the daughter of Mrs. Elzina Turner and the late Will Turner of Nome. She has played basketball four years participating in two regional tournaments and one state tournament. In addition, she has been invited to take part in the State All-Star Game sponsored by Texas Coaches. Lisa is also a member of the track team and has served on the annual staff for two years.

Lisa is crowned by '83 Queen Jodie Bibb Brown.

Lisa is escorted by her brother, Henry Lee Brown.

Queen Lisa wears her crown and carries her roses, symbols of her royalty.

Flower girl Deah Breithaupt and crown bearer Alex Goodman stand with Mrs. Brown.

Homecoming Queen candidate Rebekah Dow is escorted by her father, Richard J. Dow. Rebekah was a cheerleader for two years, a member of the Student Council, a member of the French Club, and served as treasurer of the sophomore class. She has received excellence awards in computer, English III, trigonometry and world history.

Homecoming Queen candidate Sheri Fontenot is escorted by her father, Russell Fontenot. Sheri is a varsity cheerleader, member of the Student Council, has played volleyball and basketball and is a former officer of the Fellowship of Christian Athletes. Sheri was selected as the 1984 junior female model of the year.

Homecoming Queen Candidate Timi Tyner is escorted by her father, Warren Tyner. Timi is a varsity cheerleader, vice-president of the senior class, member of the golf team, and a member of the National Honor Society. She has received awards of excellence in algebra, computer, and trigonometry.

Karate expert Kevin Haney visits with a clown.

Mrs. Price laughs at nerds Timi Tyner and Sheri Fontenot.

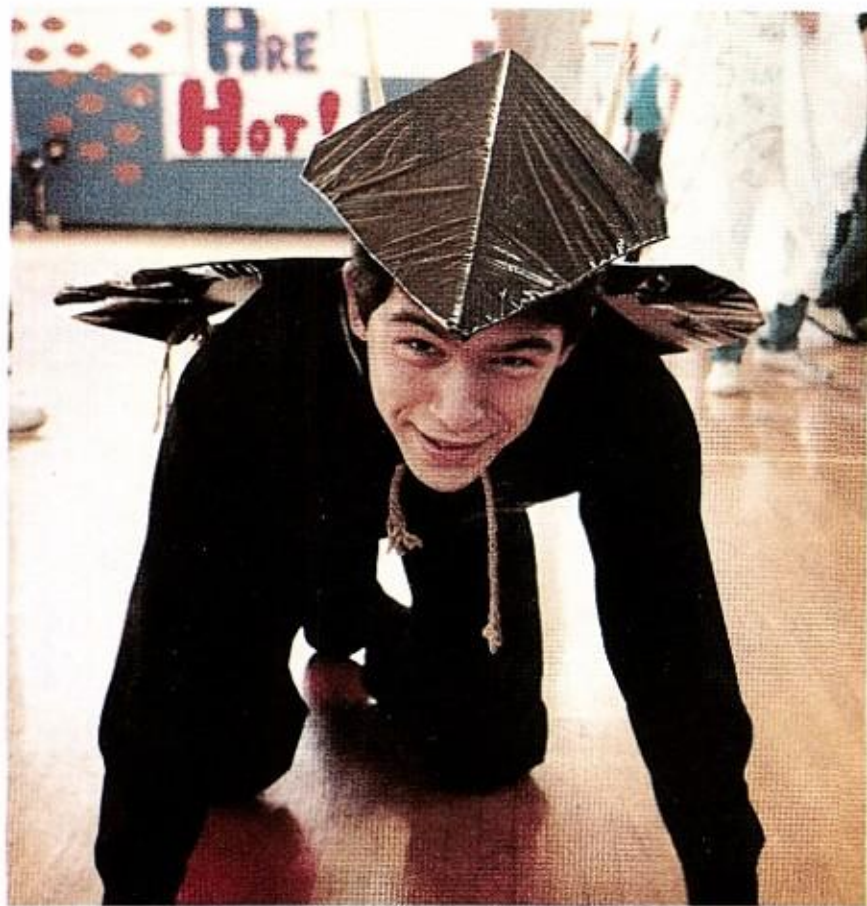

Homecoming Celebrations Enliven Fall Activities At Hardin-Jefferson

Coach Riggs gives a talk at the pep rally.

Homecoming is a great time at Hardin-Jefferson High School. It is a time of letting go, a time of contests, a time of dressing in odd clothing, a time of promoting your candidate for Homecoming duchess or queen — in general, a time for enjoyment and fun. This year, Nerd Day seemed to be the day that most people liked best. Almost everyone, including teachers, had on mismatched, out-of-style clothes and glasses with tape on them. The freshmen won the hall decorating contest. A dance after the Friday night game ended the week's festivities.

Duchesses Are Part

Junior class duchess, Carol Benoit, is escorted by her father, Ronnie Benoit. Carol is a varsity cheerleader, plays volleyball and tennis and is a member of the Fellowship of Christian Athletes.

Sophomore class duchess, Lara Elliott, is escorted by her father, Larry Elliott. Lara is a junior varsity cheerleader, a band member, and plays basketball.

Freshman class duchess, Holley Castello, is escorted by her uncle, Mike Still. Holley is a junior varsity cheerleader and a band member.

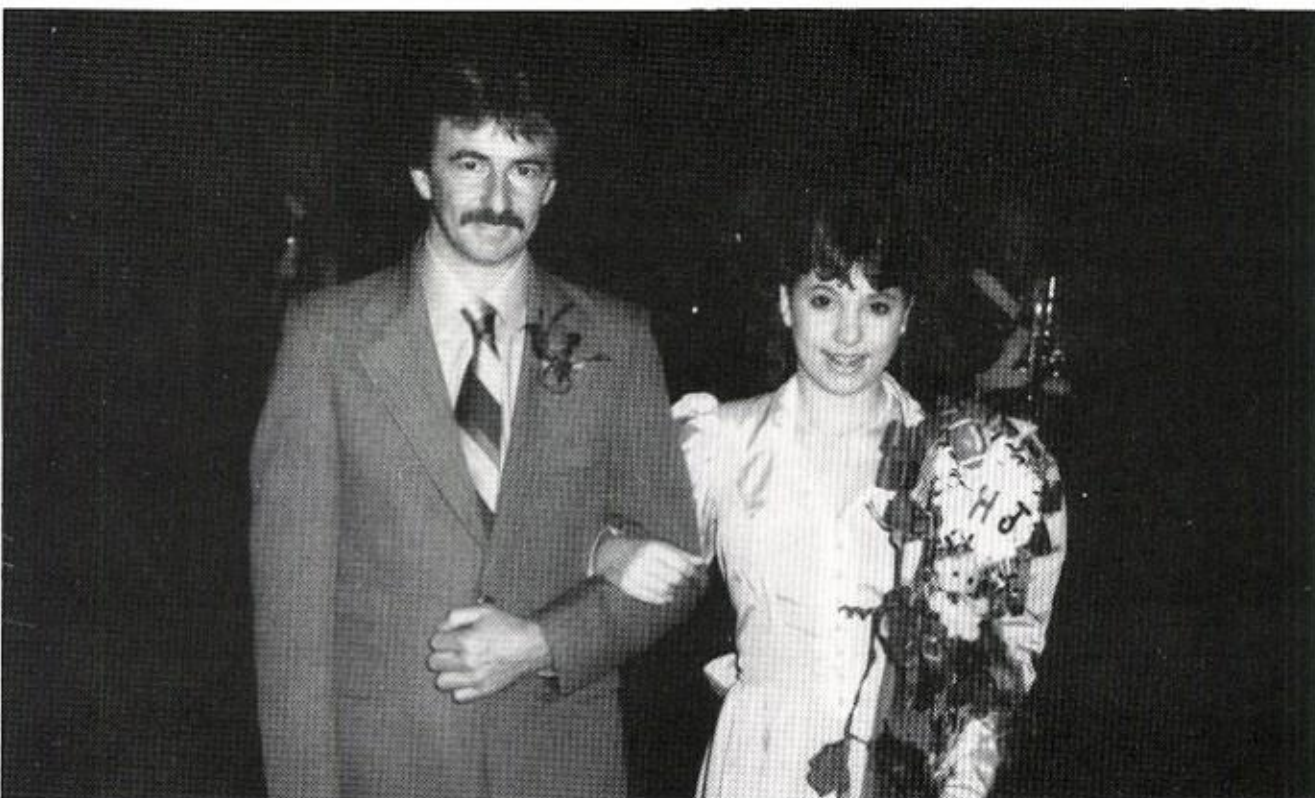

Of Homecoming Royalty

Junior class duchess, Tracey Hall, is escorted by her brother, Edmond Hall. Tracey is a varsity cheerleader and plays volleyball and basketball.

Sophomore class duchess, Stephanie Leger, is escorted by her brother, Dan Leger. Stephanie is a junior varsity cheerleader and plays volleyball and basketball. She was a nominee for Valentine Sweetheart in 1983.

Freshman class duchess, Kim Seaman, is escorted by her father, Perry Seaman. Kim is a junior varsity cheerleader.

Hardin-Jefferson Stresses 3 R's

The reason for the existence of Hardin-Jefferson High School is education. Students here feel that their school is the best, and that they learn a lot from some of the best teachers in the area.

Karen Michulka writes busily.

Scott Ferguson plays basketball in P.E.

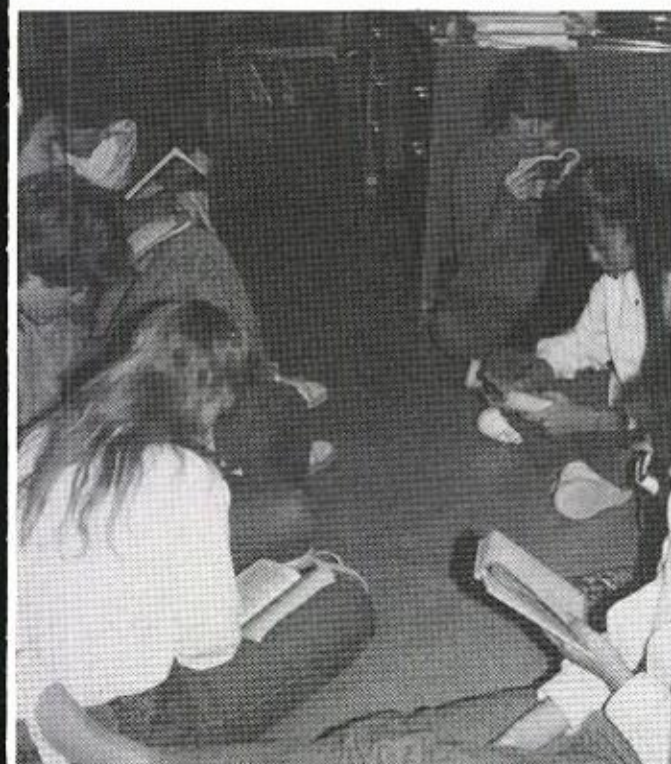

Bee Guillory, Paul Austin, Connie Conner, and Willie Coleman listen to typing instructions.

Stacey Ainsworth learns to cook in homemaking.

Future chemists Kim Brady and Connie Conner work out a problem.

Holley Costello has the hall to herself.

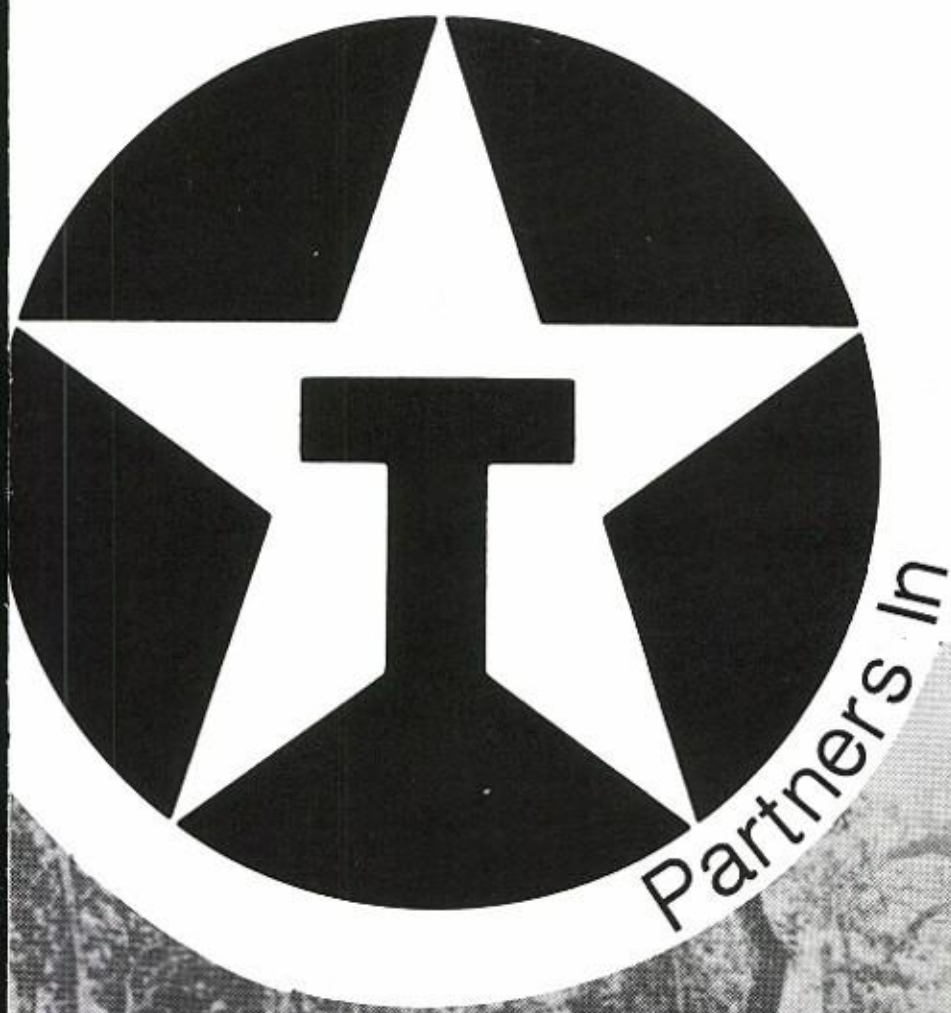

Lori Waller, Robert Presley, Roxanne Wiggins, and Jimmy Lonnette visit.

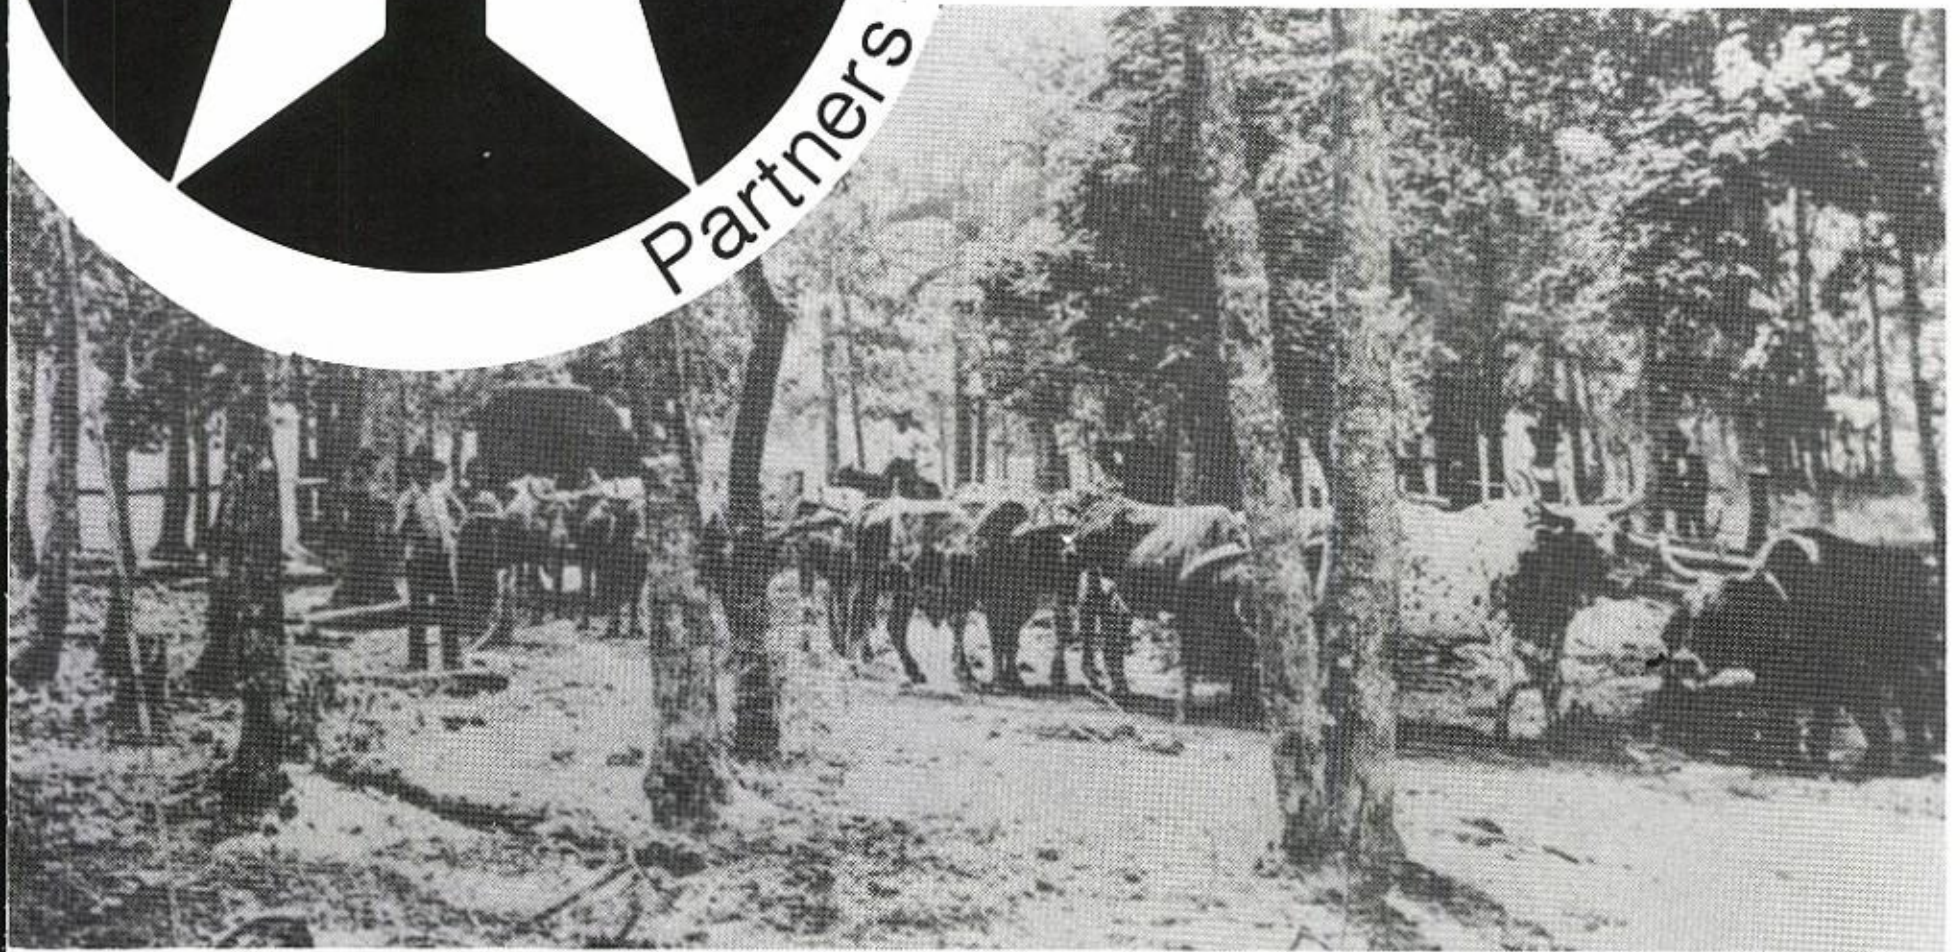

An important part of student life at Hardin-Jefferson High School is lived in the halls. Meeting one's friends and walking around the building is a vital part of the school day. Some students "stake out" certain portions of the hall while others stay on the move.

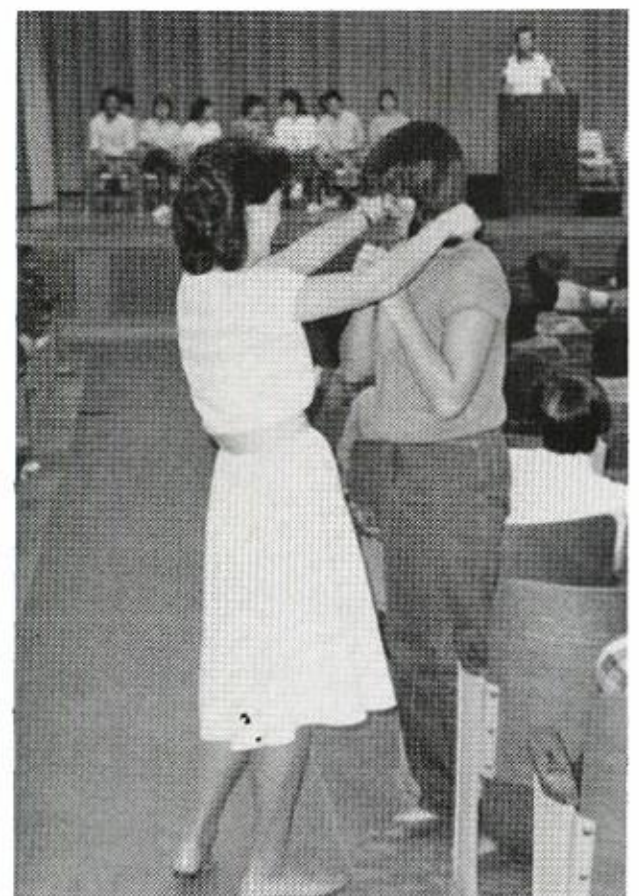

Amy Tatum and Domingo Arguello stop to talk.

Organizations

It must have taken some organization to get huge equipment, such as this boiler, through the Sour Lake backwoods by oxen.

Student Council Has Leadership Role

The 1984-85 Student Council began its year in August with the Summer Leadership Conference at Stephen F. Austin University. Council officers in attendance were Daniel Davis, Lou Cappi, Tammie Nolte, and Jill Abernathy.

When school started in September, the Council was off and running to provide both guidance and pleasure for the student body. They certainly pleased the faculty with a delicious luncheon on Work Day.

Fall also meant football games and the responsibility for selling programs at the games and sponsoring after-game dances.

Homecoming Week certainly tested the endurance of the Council because there was no rest for them. They were in charge of all activities, including the hall decorating contest, the dress for each day, the candle light pep rally, and the Homecoming Dance.

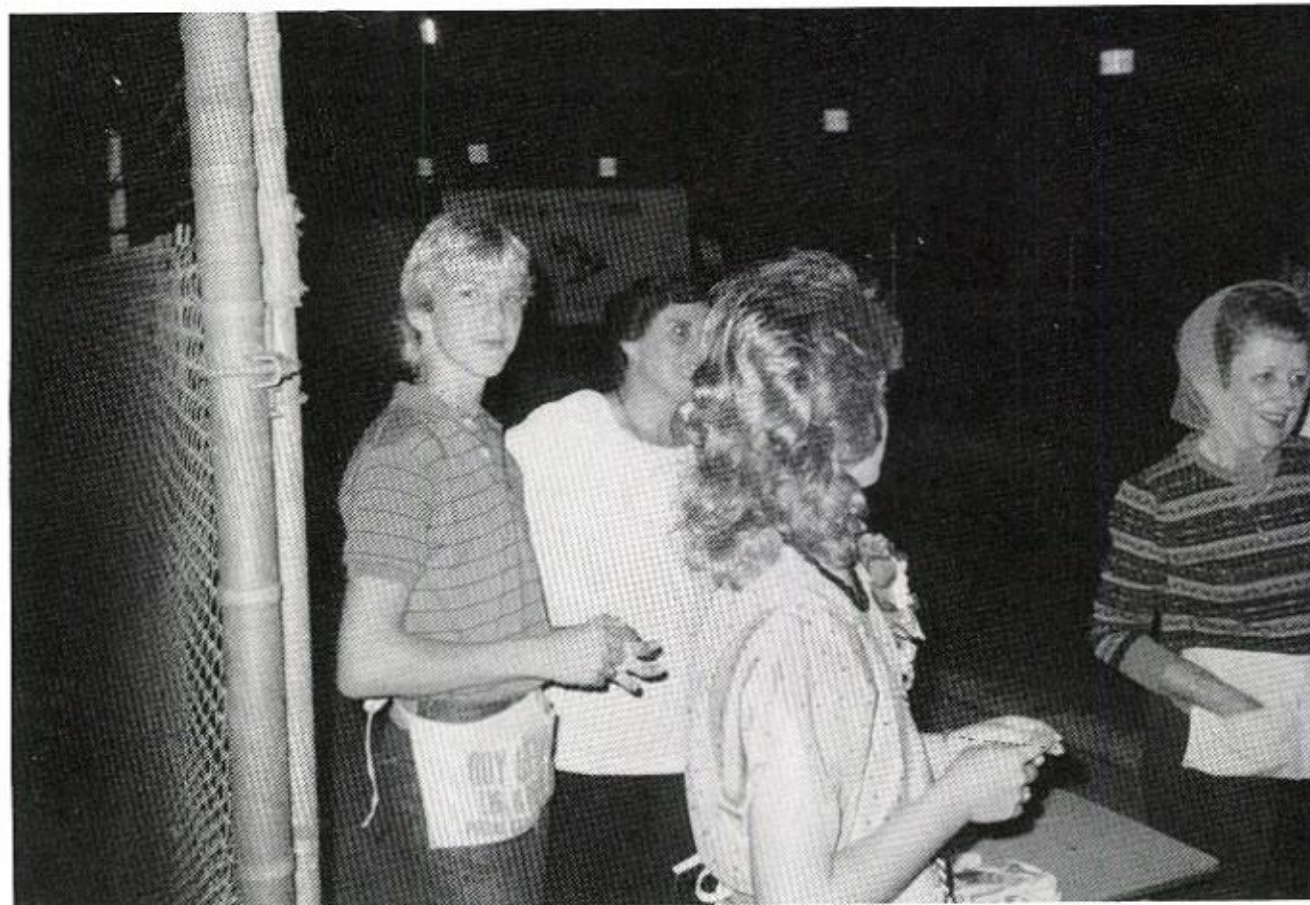

Student Council officers attended the Mid-Winter Workshop in Kerrville.

As suddenly as it began, it was over. The school year was coming to an end. The Council's final activity was supervising elections for next year's officers and representatives.

1984-85 Student Council officers are, top to bottom, Lou Cappi, vice-president, Daniel Davis, president, Jill Abernathy, treasurer, and Tammie Nolte, secretary.

The National Honor Society membership is based upon characteristics of leadership, scholarship, service, and character. The members attempt to serve their school and community by sponsoring a blood drive each year. This year the drive obtained seventy-eight pints for the Blood Center of Southeast Texas.

In February the senior members introduced the twenty-one new members to the student body in a tapping ceremony in the auditorium. In May these new members and their parents were honored with a special induction ceremony and officer installation at the Sour Lake Elementary Cafetorium.

Having a state finalist in headline writing capped off the year for the journalism classes this year. Carrie Griffin placed at district and regional meets to get to make the trip to UIL Journalism Competition Finals in Austin. Both Ron Chase and Missy Couch advanced to regionals in Brenham at Blinn College by placing at district. Ron won first place in newswriting and Missy was second in editorial writing at the District Meet held at East Chambers.

In other competition two trophies were brought home from the Kirbyville Invitational Meet. Missy Lloyd and Carrie participated and their combined efforts won the team trophy.

Eight editions including a senior edition were put out this year. A news lab written by Bobby Hawthorn, UIL director in Austin, was used for the first time. By using overhead and tapes, realistic journalism practice settings were made possible.

The Journalism I class and the Journalism II class were separated for the first time, and the infamous "Black Hole" was turned into a classroom for the smaller Journalism II class. Because of this, much more work was done on photography as the "Black Hole" could become really black for all the time students spent in the darkroom working on their photography assignments. On hands experience with the 35mm. camera plus the developing of film and printing of pictures was done often.

Also, for the first time, all stories written by the Journalism II class were written on Apple Computers. Apple Writer program enabled lots of experience with a word processor. Every skill picked up helped the student prepare for future jobs.

Senior Journalism II students who put out four fall editions of the Hawk Squawk included Mike Clifton, Ron Chase, Connie Conner, Kim Brady, Laura Taylor, Sharon Pitre, and Bridgette Wolfe.

Journalism I students who joined into the production of the Hawk Squawk were Carrie Griffin, Missy Lloyd, Missy Byrd, Missy Couch, Doris Hidalgo, Cindi Pullen, Tommy Low, and Greg Lehmler.

Speech And Drama Club Encourages Acting And Speaking Abilities

The year started with a performance of Edgar Lee Masters' *Spoon River Anthology*. The drama class chipped in to do the technical work for the choir's musical, "Christmas on Angel Street." They also helped the choir with a show at the elementary school. Many of the members were involved in UIL speaking activities. The class was small, but big on talent and willingness.

One-Act Play Cast Performs "Persephone" At District

This year Hardin-Jefferson performed "Persephone" at the UIL One-Act Play contest. The play was written by Ford Ainsworth, a high school teacher, especially for UIL contests and was adapted from the Greek myth which explains the seasons.

Many hilarious moments occur when Hades (Todd Zimbeck) has to explain to Demeter (Andrea Bronson) why he kidnapped her daughter Persephone (Rhonda LeDoux). The dead in Hades (Kelly Nolan, Barbara Shields, Erika Adams, Tommy Low, Mason Ball, Karen Michulka, and Shonda Haynes) are ready to revolt because Persephone and the supposedly vicious dog Cerberus (Clint Robinson) are playing catch with the bones of the dead. Hermes (Steve Sabrsula) appears on the scene to save the day. All ends well when

Hades and Persephone realize they love each other. Invaluable backstage assistance was provided by Roxanne Kibodeaux.

Shonda Haynes reads the prologue.

Andrea Bronson and Barbara Shields are with two of the dead.

Cerberus kneels beside Persephone as she receives a messenger.

Hermes holds his silver arrows.

Part of the cast takes a bow.

New Choir Sings Its Way Into H-J Hearts

For the first time in eight years, Hardin-Jefferson has a choir, and for its first year the choir has made good progress both individually and as a group.

At the beginning of the year, director Mrs. Deidre Linney and the students decided that they should let the public know they existed. Working toward that goal, they made many appearances.

The choir's float won first prize in the Old Timers' Day parade. They presented a very successful musical at Christmas. They attended UIL events in the spring. They sang for many groups including the Lions Club, the Ministerial Alliance, and the 1985 graduation exercise.

The choir rewarded themselves for a job well done with a visit to Astroworld.

The students who made that trip will always remember the good time they had.

Junior-Senior Prom Is "Best Ever"

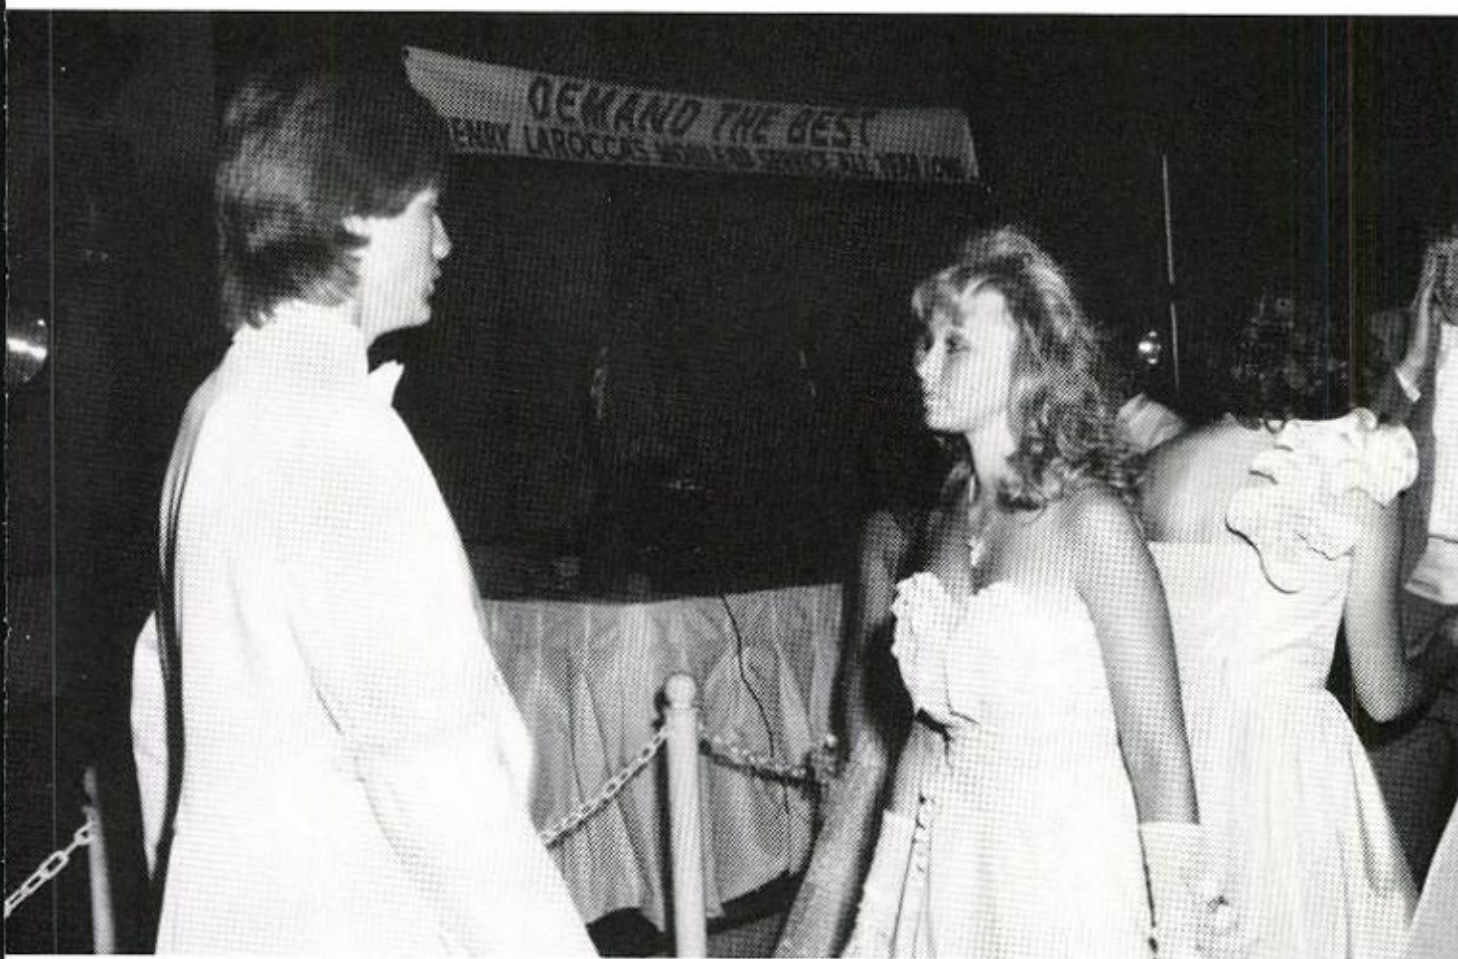

The 1984-85 Junior-Senior Prom, held at the Hilton Hotel in May, was declared to be the "best ever." The theme was "One More Night" and the decorations were balloons, balloons, and more balloons. Delicious food and good music added to everyone's enjoyment.

HARDIN-JEFFERSON CHEERLEADERS

A cheerleader is popular. A cheerleader is glamorous. A cheerleader gets to go to all of the games and gets to know all of those big-men-on-campus ballplayers. Therefore, the life of a cheerleader must be heaven. Right? Wrong. Some of these things are true, but none of them mention the hard work of learning new yell routines, the sore muscles from all the practice required to give a good performance, the possibility of injury when falling from a pyramid, lack of time for study to keep passing grades, and the necessity to be always enthusiastic and smiling (even when you don't want to) in order to promote school spirit. This year's cheerleaders began their year in July at Cheerleading Camp at Sam Houston State University. There they received five blue ribbons which were the best a team could get. They also received the spirit stick four nights in a row and were able to bring it home. They were nominees for the Award of Excellence, the award given the top squad. For their dance to "Thriller" in the talent show, they were the only squad to receive a standing ovation.

They were responsible for planning and carrying out each pep rally during the football games. They attended and performed at many basketball games.

Cheerleaders are judged on the basis of character, leadership, ability, personality, enthusiasm, and school spirit.

They were joined this year by Super Hawk, also known as Ron Chase, a live mascot. Ron was dressed in a red, white, and blue hawk suit. He, with the cheerleaders, was instrumental in building school spirit.

STARLETTES HAVE AWARD WINNING YEAR

The Starlettes took on a whole new look this year with new uniforms and hats. Also, Patsy Williams took over as director.

Fifteen out of twenty-five girls attended camp at McNeese University in Lake Charles, Louisiana. The girls won 74 ribbons: 30 blue first place, 22 red second place, 16 white third place, and six green fourth place. The Starlettes also brought home the "Spirit Pom" given to the group which shows the most spirit at camp.

In September a Drill Team Booster Club was formed. These ladies helped the drill team with many things including a booth at Old Timers' Day in Sour Lake.

At Homecoming, Samantha Hall was voted "Miss Starlette" by the girls in the drill team. This award is given to a junior or senior who has given the most to drill team, worked the hardest with each member as well as the director, and in general devoted herself to the team.

In March, the Starlettes had a one-day clinic for all girls interested in trying out for drill team. They were taught a warm-up exercise as well as a routine that had been used during football season. This clinic gave the girls a chance to see what being a drill team member is all about.

In May the Starlettes and Booster Club put on a Lip Sync Contest. It was called "Starmaker '85." Children from the elementary, junior high, and high school were encouraged to participate. There were seven groups from the elementary school and six groups from the high school who signed up. First, second, and third places were given awards. While the winners were being tabulated, Mrs. Sally Smith's fourth-period English III class sang "We Are the World." Ted Garland from radio station KWIC was the master of ceremonies. Judges were Betsy Ravreby and Glenn Ely from Channel 12 in Beaumont and Roy Cronister from the Triple X Rock Group. Door prizes were given during the night between acts.

Tryouts for next year's line were held in May.

BIG BLUE MACHINE ROCKS HARDIN-JEFFERSON WITH FINE MUSIC

The Big Blue Machine began their year in August with ninth-grade orientation. The freshmen were taught to play while marching and to understand and execute military commands. Full band rehearsals also began in August with the band working all day on Mondays and Wednesdays and late afternoons and evenings on Tuesdays and Thursdays.

In September school began and so did pep rallies and football games. The Twirlers and Flag Corps performed to music conducted by the drum majors, Sandy Douglas and Pam Pool.

Band rehearsals were held after school on Tuesdays and some Thursdays. At UIL Marching Contest, the Big Blue Machine received a Division II.

All-District Band tryouts were held at Hardin-Jefferson. The Big Blue Machine placed more students in the band than any other school in our district.

All-Region Band tryouts were held on the campus of West Orange-Stark High School.

Tonja Manuel, Debra Manuel, and Kim Marble all placed in the Region Band. Competing for these positions were members of bands from all over the region, including 5A bands.

A Christmas concert was held at Sour Lake Elementary School for parents and prospective band members.

Solo and Ensemble Contest brought more than 100 first-division medals to eligible band students.

The Concert and Sight Reading Contest, held at Woodville High School in April, netted the band its sixth consecutive first division trophy.

In August officers of Future Homemakers of America attended the Leadership Conference at Sam Houston State University in Huntsville. The members held a BYOB (that's banana, not bottle) get-acquainted party in September. The refreshments were, of course, banana splits. Officers were installed in October. There was also a dinner prepared for parents. The group sponsored the annual Jingle Bell Ball at Christmas. Mrs. Marie Crandall demonstrated corsage making, and the members tried their hand with arranging flowers. During annual FHA Week, there were activities each day for home, school, and community. These included Teacher Appreciation Day and a visit to the nursing home in Kountze. Many members enjoyed a trip to the Fat Stock Show in Houston. Mrs. Jane White of Silsbee presented a program on handwriting analysis in March. Everyone enjoyed the pizza party in April. One of the most interesting meetings of the year featured guest speakers Jo Ann Wilson and Angie Hardt of Finishing Touches Modeling School. They demonstrated proper makeup and modeling techniques.

OEA STUDENTS GAIN KNOWLEDGE NEEDED FOR BUSINESS SUCCESS

Activities of the Hardin-Jefferson Office Education Association included installation of officers at First City Band of Sour Lake in September. Officers elected were Sheila Lindsey, president; Beth Baird, vice president; Addie White, secretary; Agnes Harmon, treasurer; Lana Brown, reporter; Michelle Martel and Thonda Tatum, historians; Sondra Hall, parliamentarian; and Alexa Spears, sergeant-at-arms. New members were initiated at the September meeting also. Members sold candy as a fall fund-raising project and took care of the plants in the building as a service project for the school. Students participated in homecoming week activities and Sour Lake Old Timers' Day. OEA also sponsored a mock national election in November. Professional improvement speakers included Dr. Nancy Darsey of Lamar University and Ms. Deborah Walker of Top Talent Temporaries. Christmas was celebrated at Red Lobster Restaurant in Beaumont. The Employers' Appreciation Banquet was held in February, and members worked at the Golden Triangle Special Olympics in May. Regional contest winners included Sheila Lindsey, Beth Baird, Barbara Shields, Lana Brown, Robert Presley, Rhonda Tatum, Ellie Brottem, and Vicki Douglas in Parliamentary Procedures; Agnes Harmon, Sondra Hall, Michelle Martel, and Alexa Spears in Chapter Activities Scrapbook; Addie White in Records Management; Glenda Foux and Andrea Thomas in Promotional Display. At state OEA in Austin, the parliamentary procedures team won first place and advanced to the OEA national contest in Houston, where they placed third. The 1984-85 school year was a very good year!

VICA MEMBERS AGAIN WIN STATE TROPHIES

Winning first place at the district contest in Pt. Arthur with their Delco starter exhibits were Reggie Godeaux, Mark Miller, and Kyle Lee. Kevin Walker and John Brown placed first with their Delco alternator exhibits. Mike Phelps earned a first with his Ford alternator, as did Chris Marks with a Chrysler starter.

At the state contest, John Brown, Kevin Walker, Mark Miller, and Mike Phelps received first-place trophies for their district-winning projects.

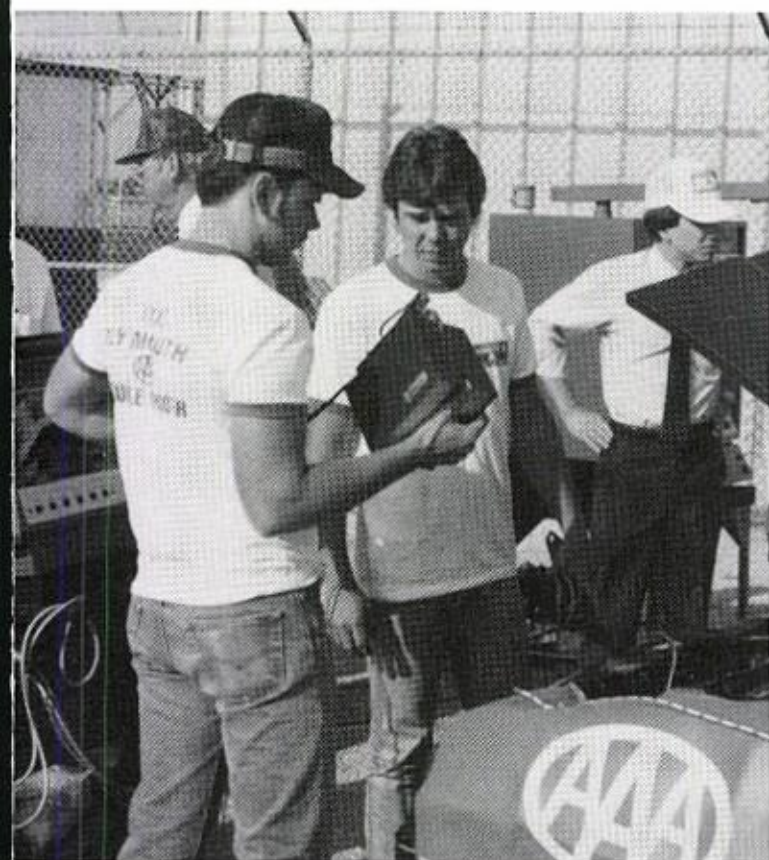

Mike Phelps and Mark Miller came in second in the state in the Plymouth Trouble Shooting contest. This event involved finding and fixing the defects in a predamaged car in the shortest amount of time. Mike and Mark were the only contestants to qualify for state from a AAA school. All of the others came from larger schools.

HARDIN-JEFFERSON CHAPTER OF FUTURE

The Hardin-Jefferson chapter of the Future Farmers of America has always been an active and successful group. The school year of 1984-85 is no exception.

The Milk Quality and Dairy Foods team placed fourth at the Area IX judging contest held at Sam Houston State University. This earned them a trip to the state contest held at Texas A&M University.

The Meats Judging team came in third at the Area IX contest which qualified them for the state contest.

The Forestry team won second in the district and also went to the state contest.

The Poultry Judging team earned a second place in the contest held in Beaumont at the South Texas Fair. They also placed fifth out of forty-two teams in the Stephen F. Austin University contest in Nacogdoches. The Area IX contest saw them in sixth place with Robert Baker being the fifth high-point individual in that event.

The Land Judging team won first at the Lower Neches Soil and Water Conservation District contest. Team members Robert Baker and Tommy Davis took first and second high point individual honors there.

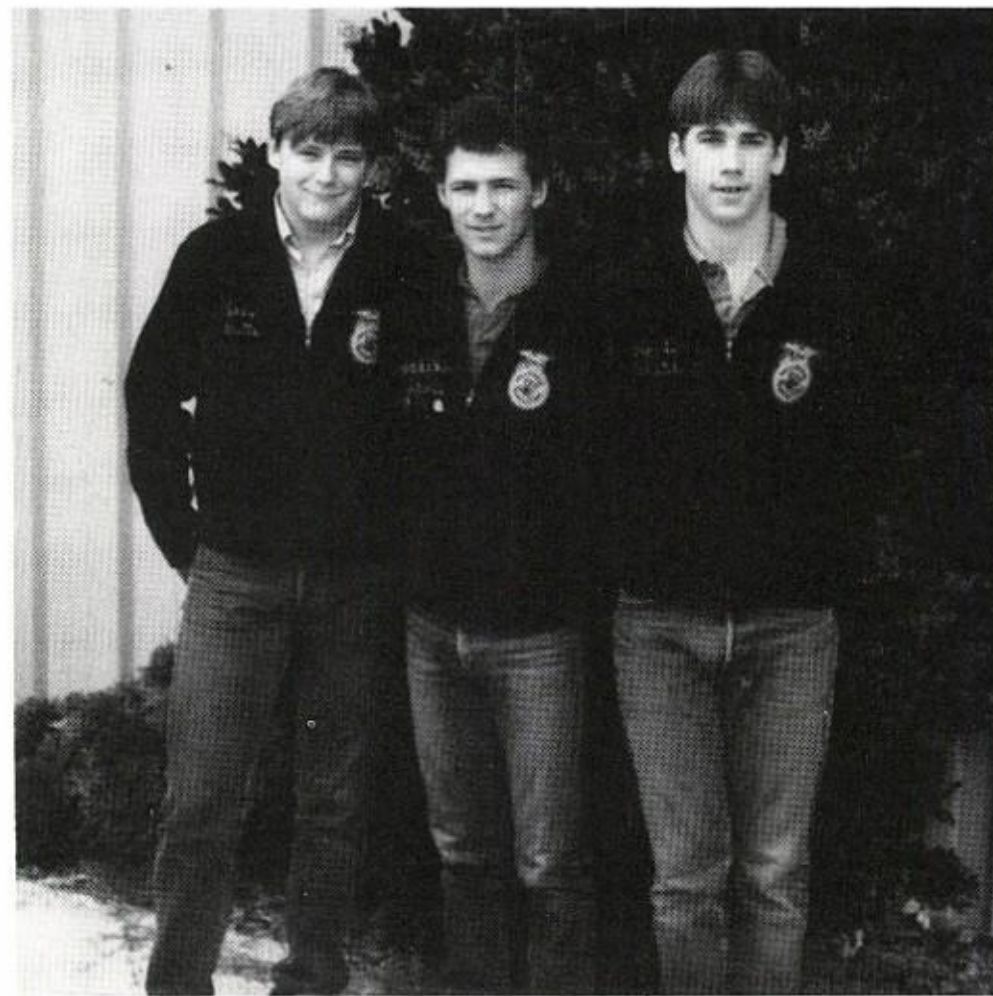

The senior Rice Judging team placed in both the Winnie Rice Festival and the South Texas Fair.

Daniel Davis won high point individual honors.

The junior Rice Judging team won the Winnie Rice Festival contest and tied for first at the South Texas Fair.

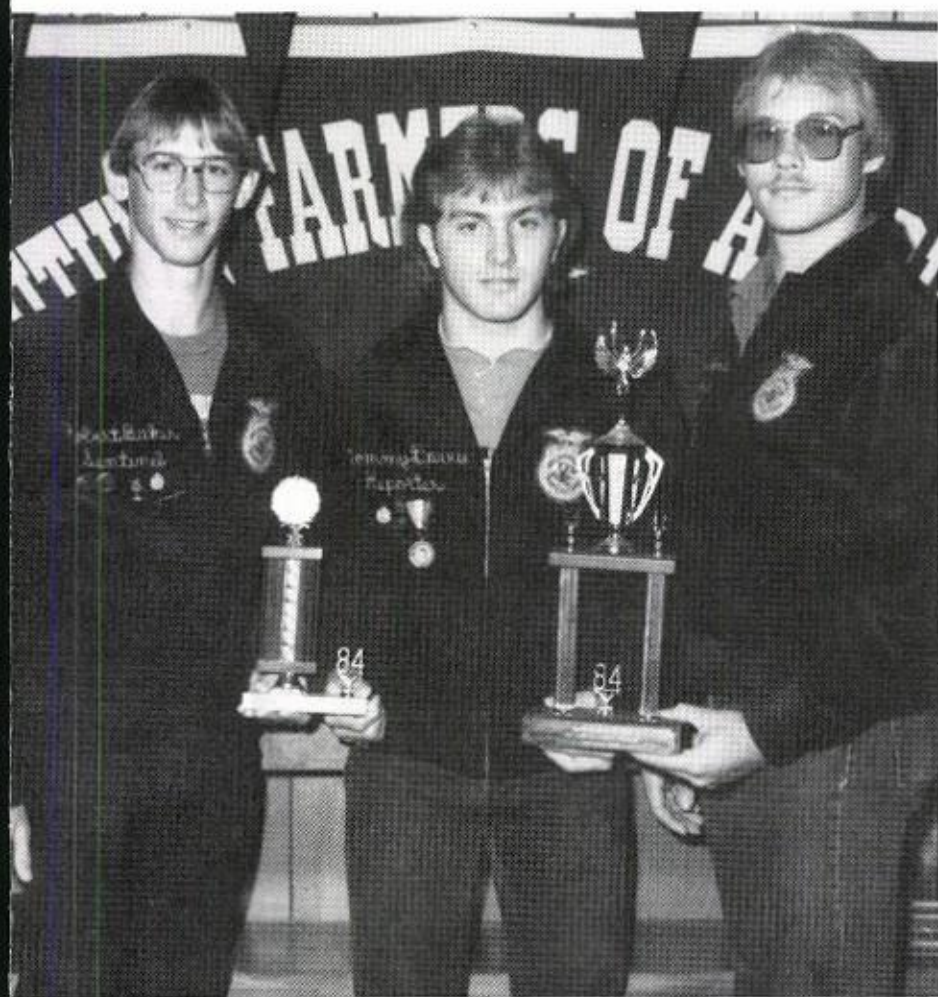

The Meats Judging team consists of Donna Fregia, Robert Baker, and Veronica Simmons.

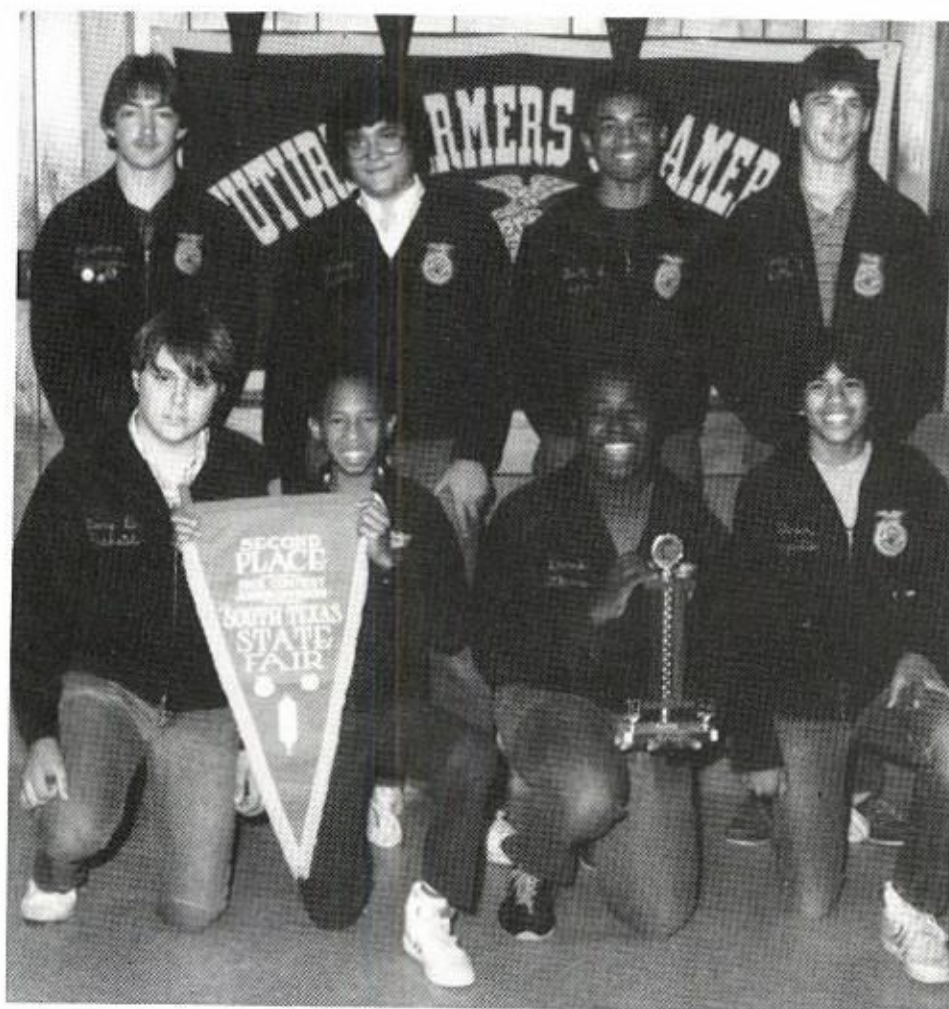

The Forestry Judging team is made up of Joey Butts, Jimmy Smith, and Brett Johnson.

FELLOWSHIP OF CHRISTIAN ATHLETES IS INSPIRED ORGANIZATION

The purpose of any huddle of the Fellowship of Christian Athletes is "to present to athletes and coaches, and all whom they influence, the challenge and adventure of receiving Jesus Christ as Savior and Lord, serving Him in their relationships and in the fellowship of the church."

The huddle, as the group is called, is made up of athletes or those associated closely with an athletic team. Meetings are held twice monthly at members' homes. These meetings are a time of Bible study and sharing of concerns, ideas, and ideals as they relate to each person's life.

The Hardin-Jefferson FCA sponsored a Fun Run during Old Timers' Day. "It was a lot of planning and hard work, but the kids did work hard and it turned out to be a big success. We look forward to an even bigger run next year," said Coach

Greg Dupree.

The group visited several area churches. It is a nondenominational group, so that any person is welcome. Several members plan to attend a National Conference this summer at Texas A&M University in College Station. This is billed as a week of inspiration and perspiration.

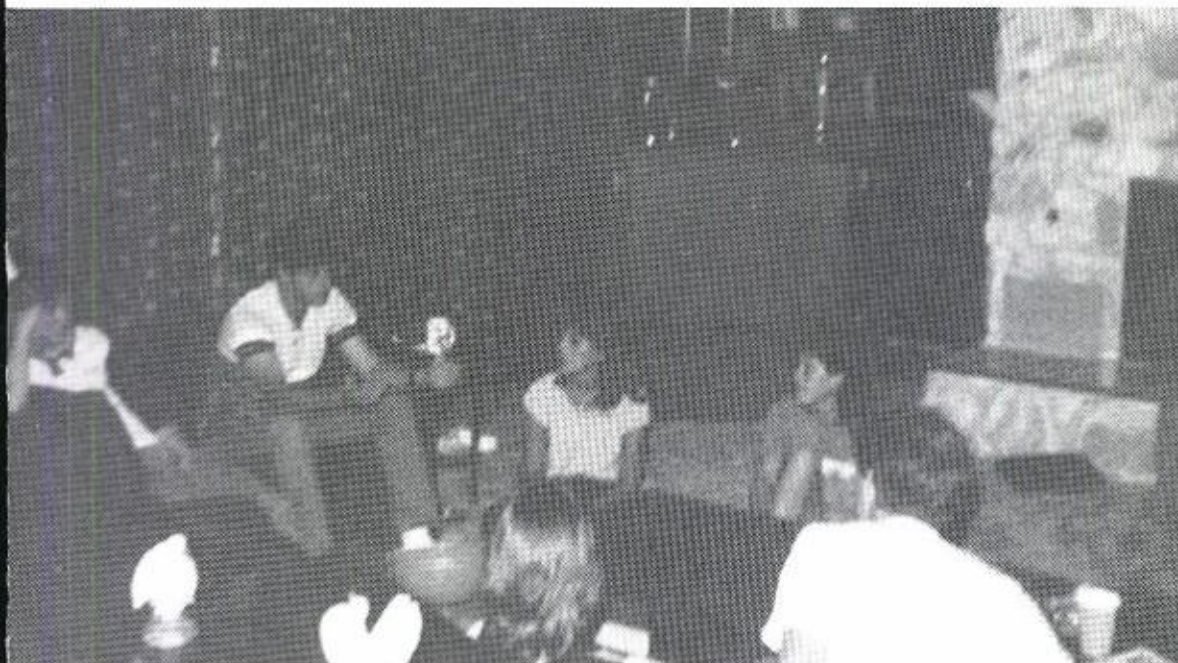

Through the Fellowship of Christian Athletes ordinary people help each other become better people and better examples of what God can do with a yielded life.

FCA officers are Shawn Brantley, Jason Barker, Tommy Low, Ed Murray, and Paula Ellison.

VOLUNTEER FIREMEN ARE SERVICE ORGANIZATION

The call on the intercom, "Would the firemen please report to the office?" brings a chill to the hearts of many because it could be their home or property that is endangered. The young men from high school who belong to this volunteer organization do not just suddenly rush off to aim a water hose at a fire. They are much more highly trained. Weekly meetings are held to teach them modern fire-fighting techniques. Not only do these volunteers for community service fight fires, they are also in charge of emergency ambulance calls. All of them are trained in CPR to help heart attack victims, and it is not unknown for a baby to be delivered on the way to the hospital.

To raise money to support their services, the group holds an annual barbecue. Also, on Old Timers' Day, they sell their famous barbecue at a booth, and as a special treat for the youngsters, they give rides around Sour Lake on the fire truck. Helping to kick off Little League season this year, the Firemen played the Little League coaches a game of baseball and again offered rides for the little people.

As a service project, the Firemen stationed themselves at the four-way stop sign and other strategic areas to collect money for the Muscular Dystrophy Fund.

High School students who are members of the Volunteer Firemen include Joey Butts, Cory Brannon, Shad Priddy, William Monse, Todd Johnson, Paul Austin, George Golston, Ross Camp, Vincent Gongora, Wayne Miller, and Brett Johnson.

UIL Participants Are Success Story

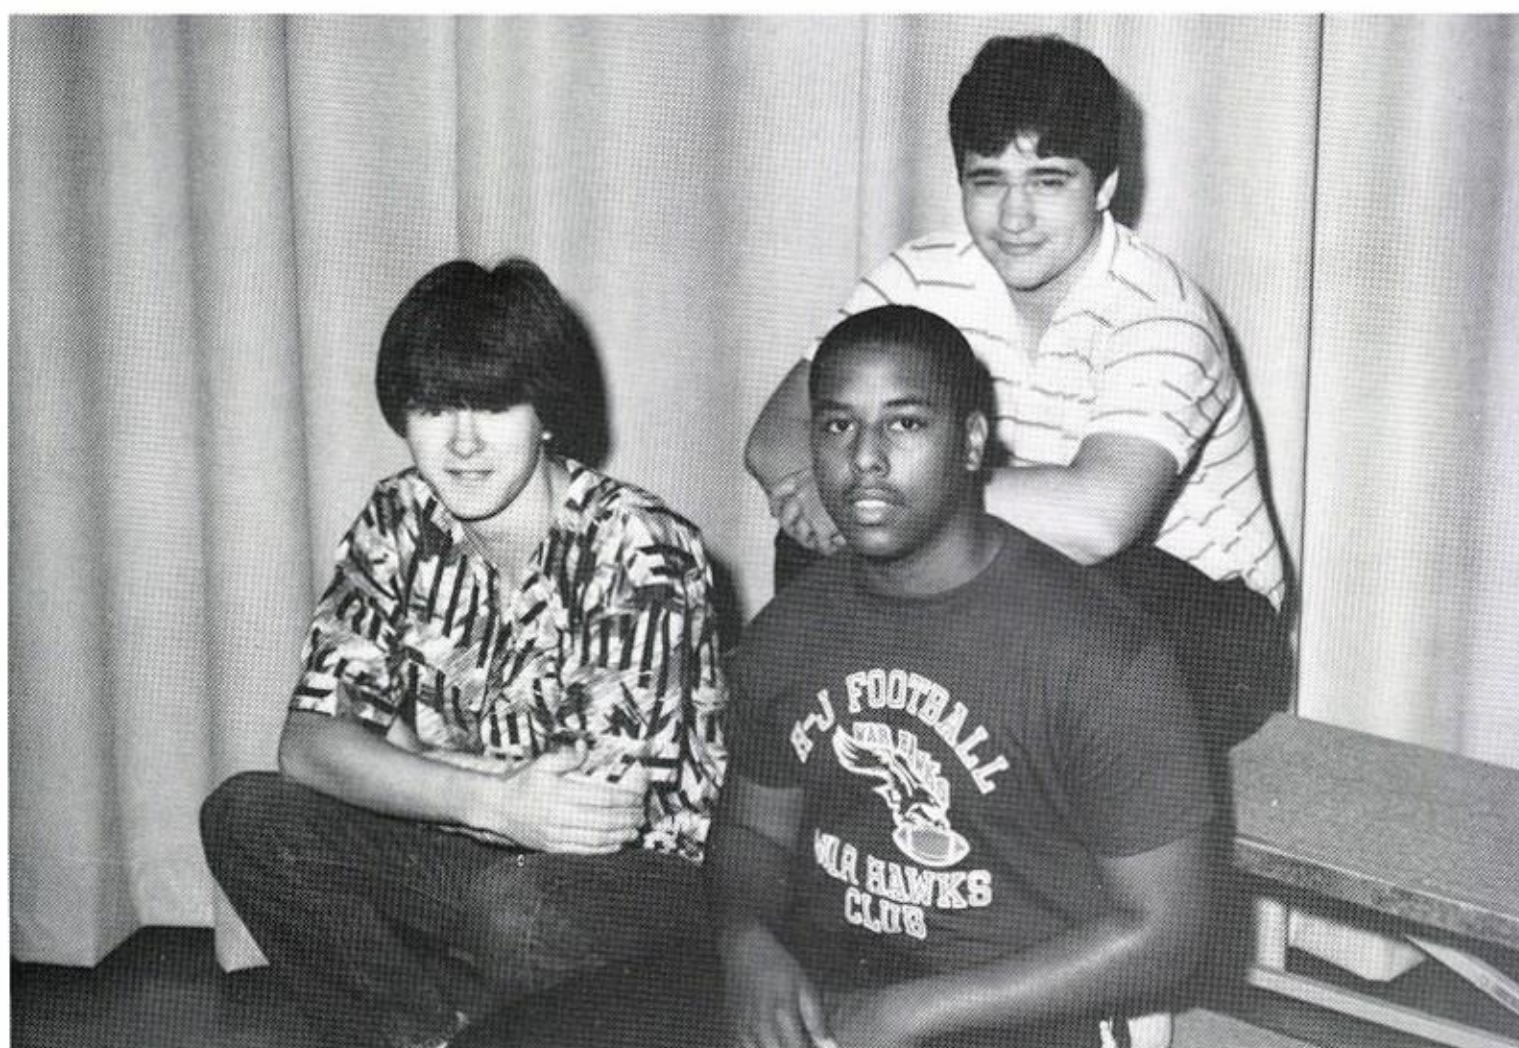

UIL participants started early to prepare for the district meet by working at school and attending several practice meets.

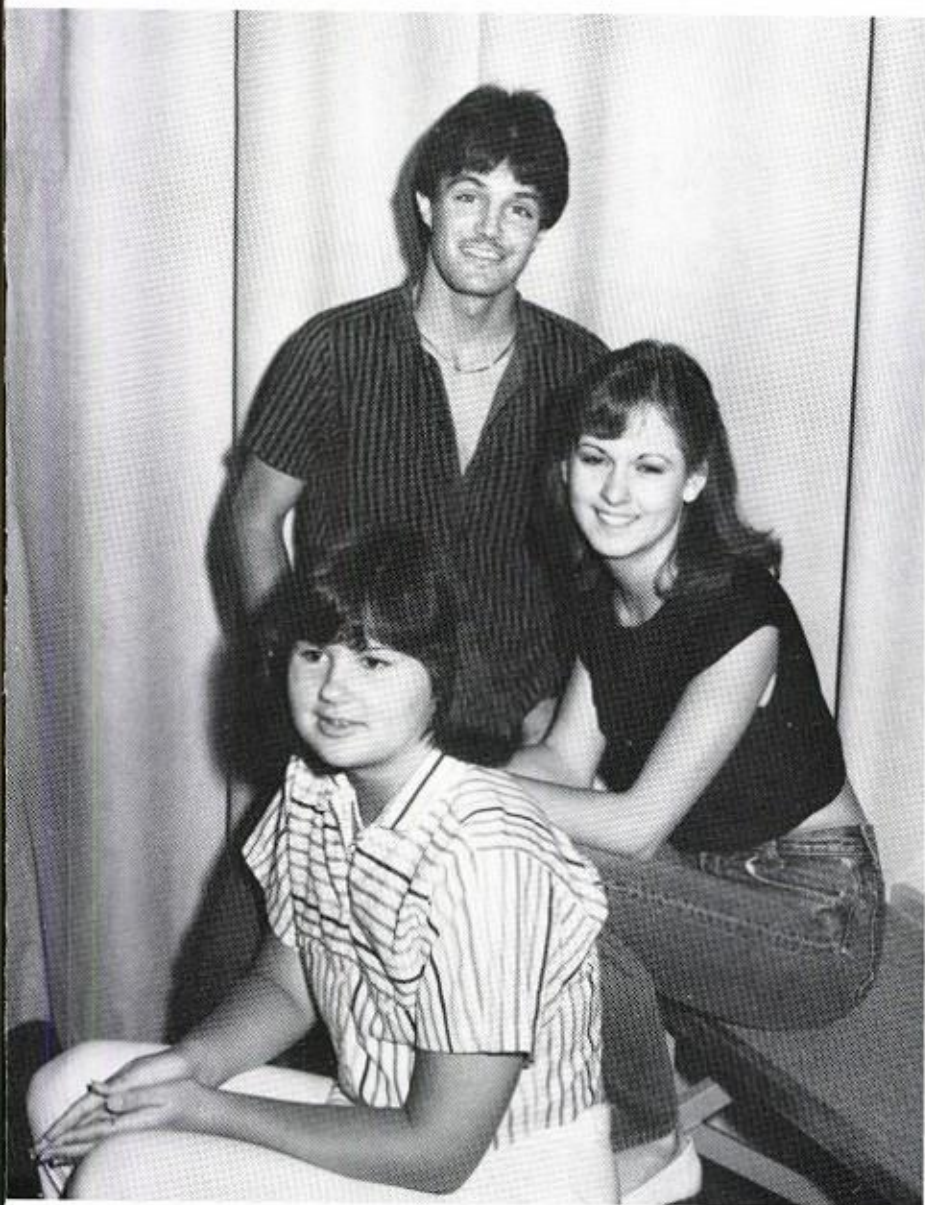

In team debate, A. D. Hardman and Sharon Pitre received a second-place trophy while David LaFevers also placed second in Lincoln-Douglas Debate. Jeff Martin went to regional competition as an alternate in Lincoln-Douglas Debate. Missy Couch, Ron Chase, and Carrie Griffin all placed in the district journalism contest. At regional contest, Carrie Griffin won second, earning her a trip to Austin for the state meet. Rhonda LeDoux qualified for the regional meet in Prose competition along with Lou Cappi who placed in Informative Speaking. The one-act play did well at district, but missed advancing to regional by one place.

Computer Club Members Are Apple Experts

This year the Computer Club wrote letters from Santa Claus and gave them to delighted kindergarten students at elementary school. They also used a program called "The Print Shop" and made invitations, announcements, signs, and holiday cards. Their annual fund raiser was the Valentine's Day "computer match." Students filled out forms indicating their likes, dislikes, and interests. These answers were fed into the computer. The results were supposed to lead on to his or her perfect mate. Some of the pairings gave reason to wonder.

Hawks Give Their Best In '84

This year the Hawks finished the football season 7-3. They battled down to the wire and were close to winning a district championship.

Here's what the football players have to say about the season.

"This was a great year. We almost pulled it off. We were so close, but we played our hearts out. We just came up a little short. I'm going to have to leave, but the underclassmen can handle the job next year," said Kelly Shaw, wingback.

Cornerback Brian Hamm said, "This was the best year since I've been playing football. I wish we would have made it to the playoffs, but we did better than we were picked to do. I wish I had just one more year because next year we are going to have a good team."

Splitend Clayton Doucet stated, "I'm going to miss the guys and the coaches. I just hate to end my last year with a loss. We had a good year. Our attitudes were great, and we played like champions the whole year."

Defensive tackle Doug Carmon said, "This was a good year. I had a lot of fun. I just wished I had another year. I'm going to miss all the contact because it was fun hitting people."

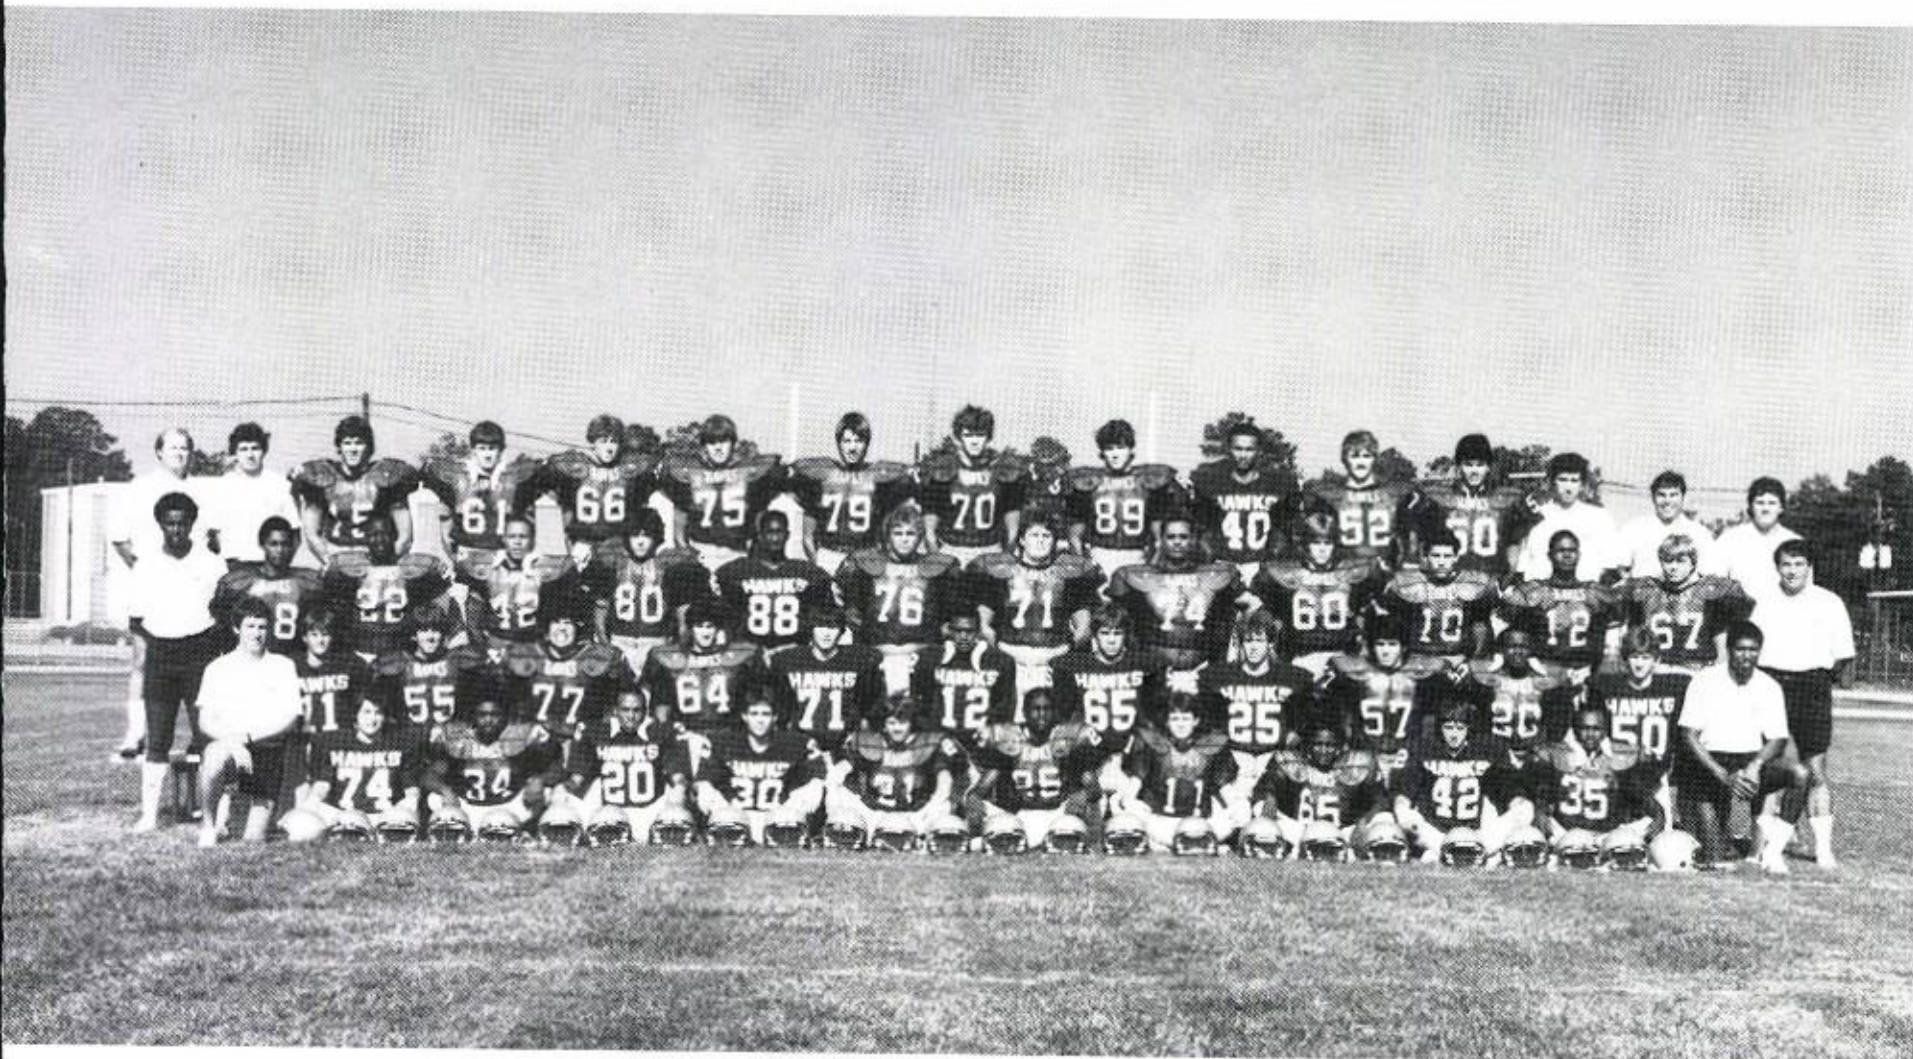

The Hawks had a great season and almost did what nobody thought they would and that was to win the district championship.

Hawks Earn Number One Ranking

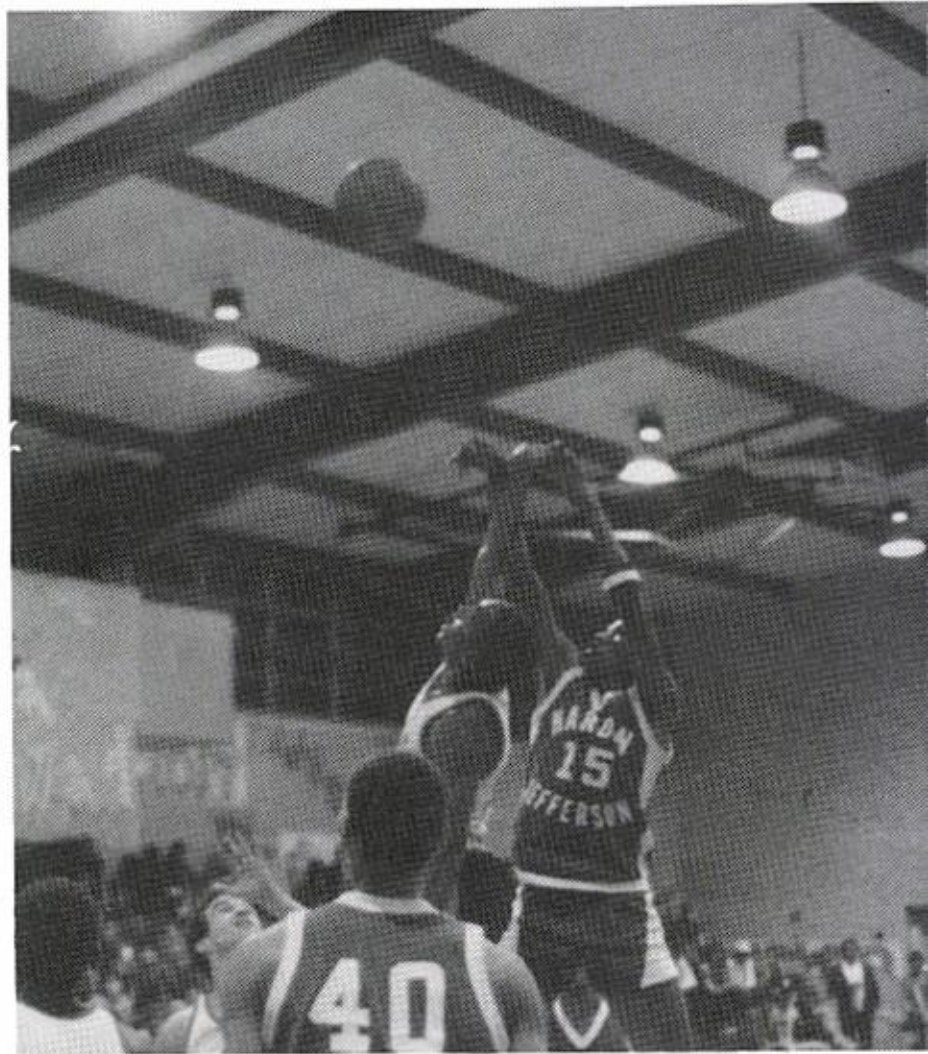

The H-J Hawks continued their tradition of excellence in basketball by ending the season as the number one ranked Class AAA school in the State of Texas. In the process the Hawks claimed their seventh consecutive district championship, which is currently the longest streak in the state in AAA.

The State Finalists of 1983-84 returned only one starter for the '84-85 season. The accomplishments of this squad shone brightly as they reeled off 28 wins while losing only 4. Two of the losses came to #1 ranked Lincoln and #2 ranked Silsbee of Class AAAA. The Hawks moved into the #1 position themselves in mid-January and held it through the final poll.

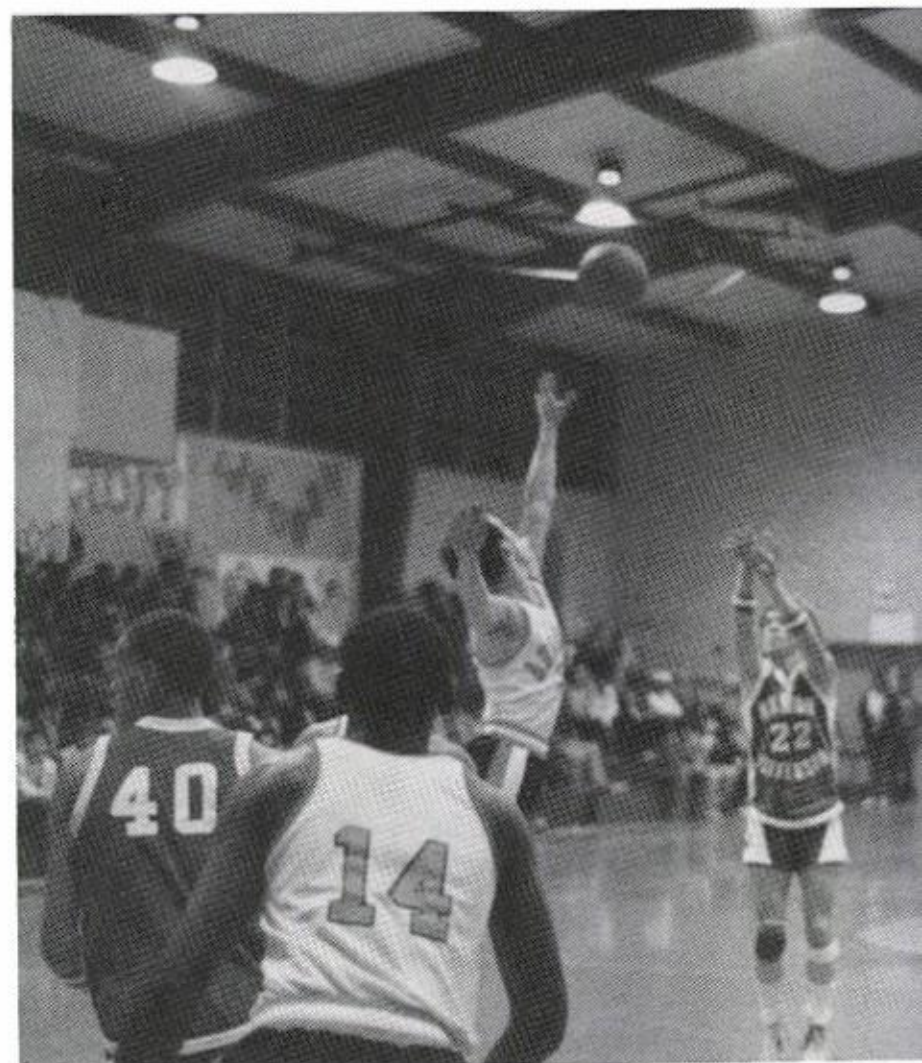

Rocky Rocquemore, the lone starter returning, led the state in scoring with a school record of 31.5 scoring average. Rocky was named to the All-State team for the second year in a row and was also selected by TABC to the South All-Star team. Rocky was named District 20-AAA MVP. He was joined on the All-District team by Andre King, who was named the district's Defensive Player of the Year. Jimmy Lonnette and Melvin Benjamin were selected to the All-District team as well. Robb Hamm, Gordon Guillory, and Nickoal Marshall were all selected Honorable Mention.

The Hawks waltzed through District 20-AAA with a perfect 14-0 record. The big disappointment came when the Hawks, riddled with the flu, lost their bi-district match with Kountze, knocking them out of the state play-off picture.

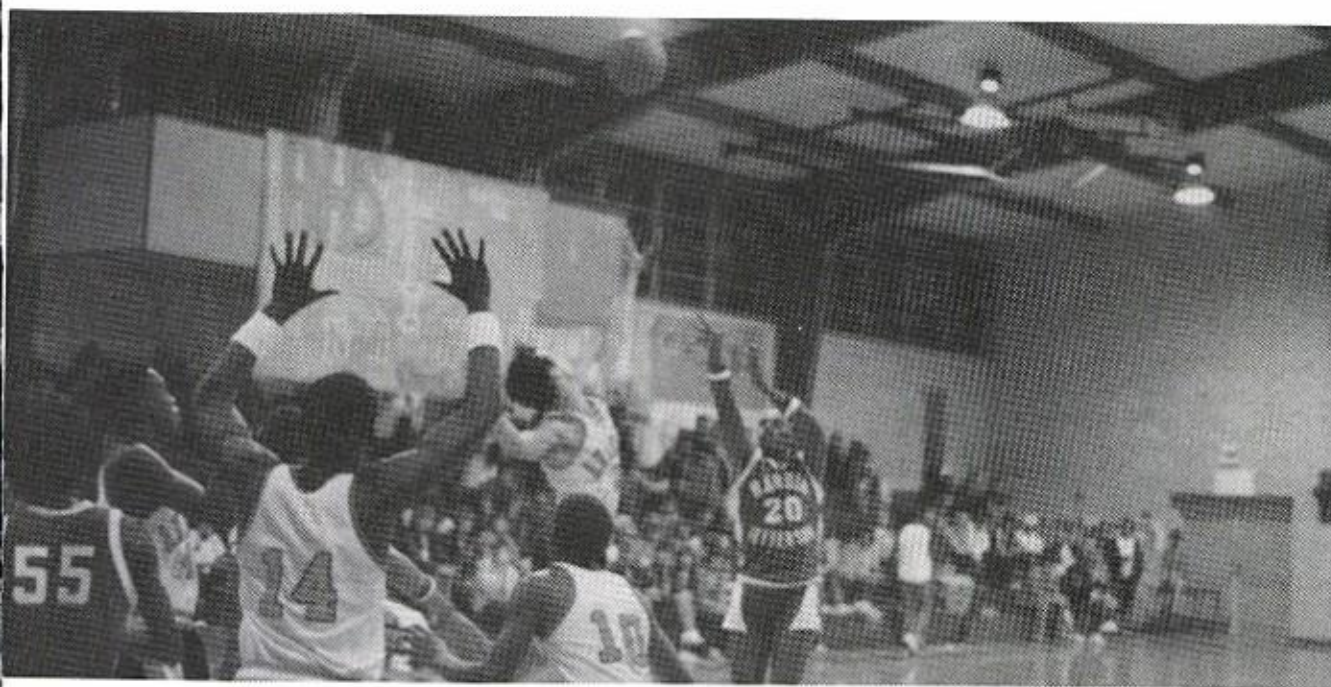

The Hawks, coached by Charles Breithaupt, have won 188 games as of now and lost only 46 during his tenure. This includes 88 district wins and only 6 defeats. The Hawks have won 49 of the last 50 district games and 27 in a row. For this record at H-J Coach Breithaupt was selected Coach of the Year for the fifth time in his seven years of coaching at Hardin-Jefferson.

Lady Hawks Basketball Has Outstanding Year

The Lady Hawks had another tremendous season as they won thirty-one games against only six setbacks.

Most importantly, they advanced into the state playoffs for the third consecutive year before being knocked off in regionals by #1 ranked Sweeny, 59-55.

Fielding a young, inexperienced team, the H-J girls relied on seniors Lisa Turner and Jill Abernathy, both four year starters, to steady the underclassmen. Lisa

and Jill each responded to the challenge as they were selected First Team All-District and to the All-Region team. In addition, Lisa was selected All State

for the second time and was picked to play in the TABC All Star game in Waco. Lisa and Jill were

both selected to the All Hardin County team.

Freshman Stephanie Edwards was selected All-Region, All-District, and All Hardin County. Freshman

Antoinette Jones was All Hardin County and Honorable Mention All-District. Tracy Hall, LaTaunya

Fontenot and Stephanie Leger were selected

Honorable Mention All-District as well.

The season was highlighted by the championship win in the Westbrook tournament. The Lady Hawks defeated French 27-25 in overtime. The Lady Hawks finished second in two other tournaments. Advancing into the playoffs the girls defeated Kountze 67-52 in Bi-District for the first win over the Lady Lions since the late '60's. The next top was in Nacogdoches for the area championship. In the game the Lady Hawks

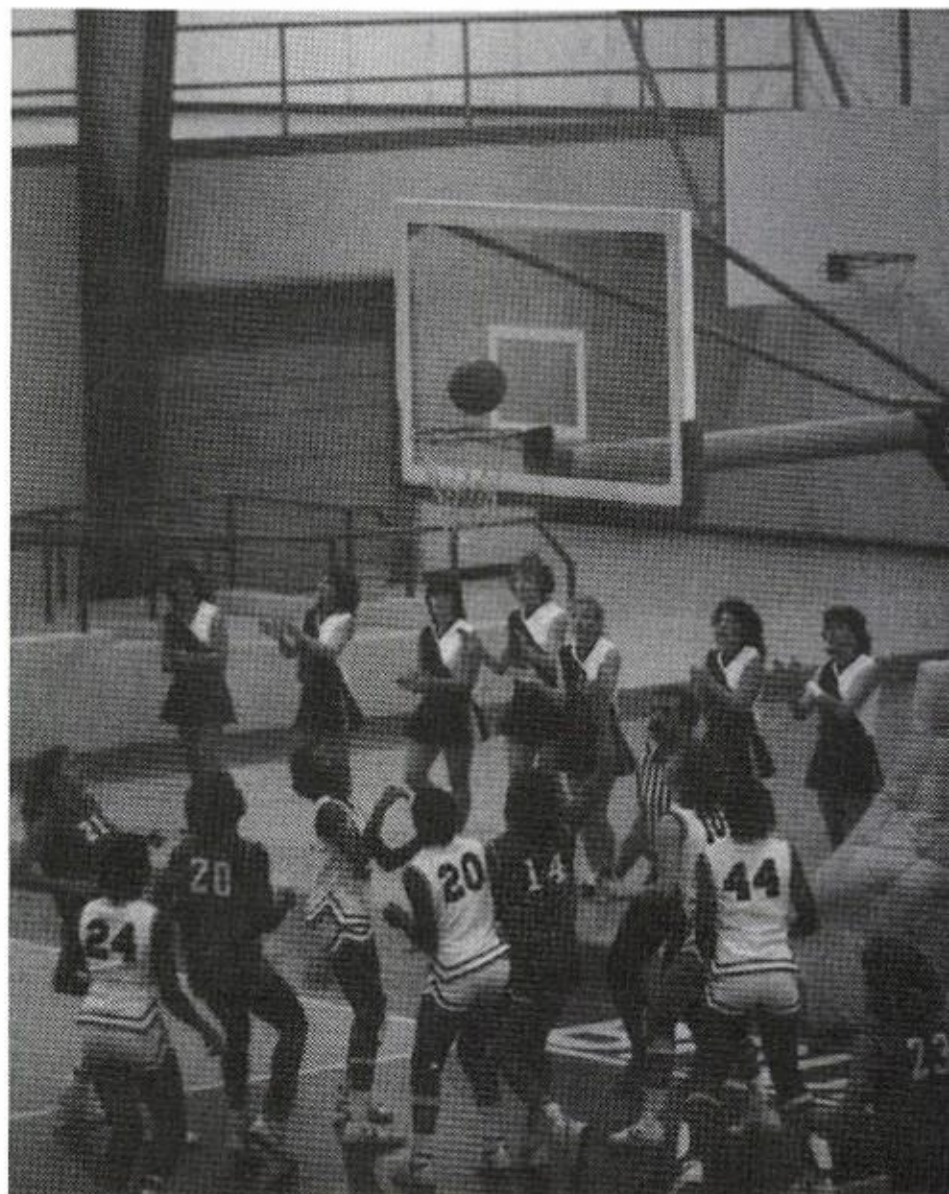

destroyed Groesbeck 69-54 to avenge the loss to the Lady Goats at last year's state tournament.

In the Regional Tournament at Brenham the girls faced the #1 ranked Sweeny team that boasted two 6'2" girls. The Lady Hawks fell behind 14-2 before fighting to a fourth quarter lead. However, H-J could not hold on to the lead and fell by a four point margin.

The season was a great tribute to the determination and hard work of the girls. They achieved a great deal of success. The six losses they encountered were all to ranked teams. Each of these losses were avenged except for Sweeny. The 1984-

85 Lady Hawks were clearly outstanding and they left much hope for the future of girl's basketball at

Hardin-Jefferson.

Hawk Track Team Moves Rapidly

The varsity boy's track team had a very outstanding season. The team consisting of seniors Reggie King, Terrance Thomas, Sherman Lemelle, Rocky Rocquemore, and Doug Carmon; juniors Lou Cappi, Gordon Guillory, Robert Harmon, Darryl Hunter, Ed Murray, Troy Schlottman, Karl Stelly, and Todd Walker; sophomores Bee Guillory, Jeff Julian, Robert Sirmons, and Jonathan Vaughn progressed along the year from finishing an average of seventh and eighth place in meets to finishing as high as third in the Anahuac Relays. Robert Sirmons, Mike Thomas, and Reggie King have to be considered the most outstanding track athletes for their achievements. The 400 meter relay made up of Terrance Thomas, Bee Guillory, Sherman Lemelle, and Reggie King had outstanding performances throughout the year capping off the season by finishing second in district and earning a berth to the regional track meet in Brenham. Reggie King, a participant in last year's state meet had a good season running in the 100, 200, and 400 meter runs finishing in the top three in every meet he went to this year. Mike Thomas, converted from sprinter to distance man this year, also had a great year in the events he entered, the 800 and 1600 meter runs. He also ran the anchor leg on the mile relay team. This relay team consisted of Thomas, Karl Stelly, Todd Walker, and Sherman Lemelle. Robert Sirmons has to be considered the most improved runner this season. After having a mediocre beginning, finishing in the bottom three, he gradually increased to where he was finishing in the top three in the 3200 and 1600 meter runs, Robert came back to finish third in the mile run. He also qualified to compete in Brenham running the 3200 and 1600 meter runs. Other participants and their events were Terrance Thomas, 100 meter relay; Jonathan Vaughn, cross country, 1600, and 3200 meter runs; Ed Murray, 800 meter run; Karl Stelly, 400 and 1600 meter relay; Sherman Lemelle, 400 and 1600 meter relay and 400 meter dash; Todd Walker, 400 and 1600 meter relay; Lou Cappi, 110 and 300 hurdles; Jeff Julian, 110 and 300 hurdles; Bee Guillory, 100, 200, and 400 meter relay; Rocky Rocquemore, long jump and high jump; Troy Schlottman, shot put and discus; Gordon Guillory, discus; Darryl Hunter, shot put; Doug Carmon, shot ut; Robert Harmon, 100, 200, and 400 meter relay.

First row regional qualifiers are Karl Stelly, Robert Harmon, and Terrance Thomas. In the second row are Coach Jordan, Bee Guillory, Reggie King and Robert Sirmons.

Hawks Sprint Around The Track

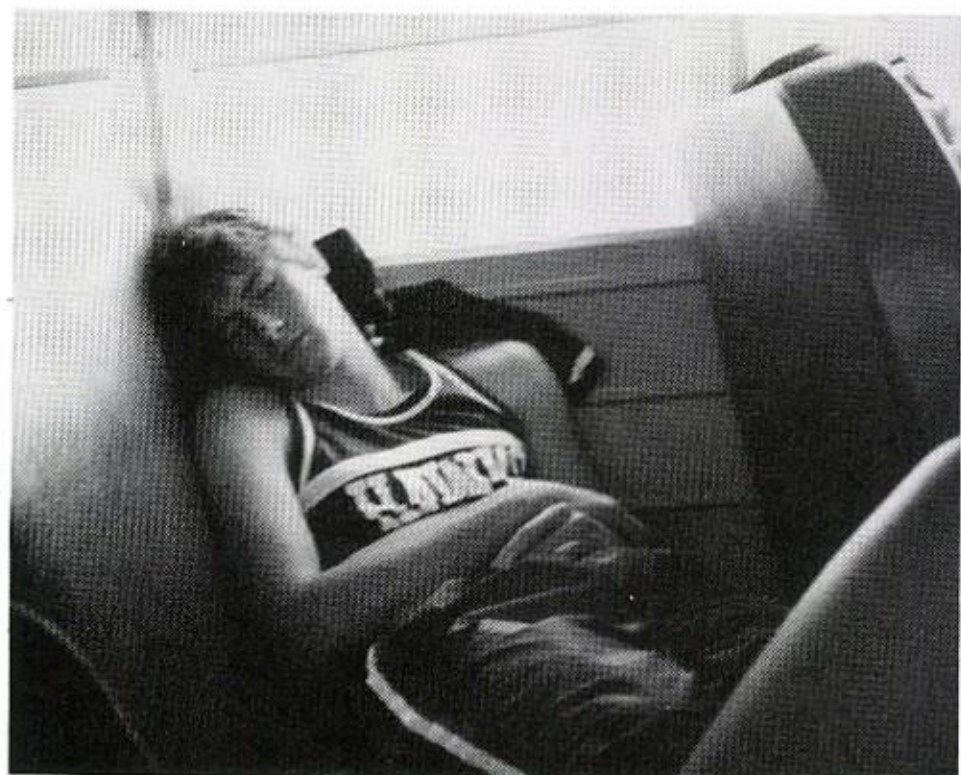

Long distance runners are Mike Thomas, Ed Murray, Robert Sirmons, and Randee Edwards.

Kneeling are field event participants Troy Schlottman and Darrell Hunter. Standing are Reggie King, Karl Stelly, and Bee Guillory.

Kneeling are freshman tracksters James Burrell and Tadd Priddy. Standing are Karl Hall and Martin Miller.

Ed Murray gets some needed rest on the bus after a meet.

Lady Hawks Track Team Is Much Improved

Antoinette Jones, Linda Evans, Yolanda Hunter, and Linda Atkins make up the 800 meter relay.

The 1600 meter relay team girls are Linda Atkins, Antoinette Jones, Linda Evans, and Monique Brown.

The 1985 girl's track team was much improved from past years. It included eight girls who worked very hard to make it a successful year. Team members included Linda Atkins, Aurora Edwards, Antoinette Jones, Monique Brown, Jennifer Jones, Yolanda Hunter, Patty Stelly, and Manager Christine Arguello. The following is a list of events and participants:

400 meters: Antoinette Jones

1600 meters: Jennifer Jones

1600 Meter relay: Linda Atkins, Antoinette Jones, Linda Evans, and Monique Brown

3200 meters: Jennifer Jones

800 meter relay: Antoinette Jones, Monique Brown, Yolanda Hunter, Linda Atkins

100 meter hurdles: Monique Brown, Linda Atkins, Yolanda Hunter

800 meter run: Linda Evans

Shot Put: Aurora Edwards and Patty Stelly

Discus: Antoinette Jones and Patty Stelly

Long Jump: Linda Atkins and Monique Brown

Triple Jump: Monique Brown.

The girls participated in track meets at Stephen F. Austin, Orangefield, Hull-Daisetta, Huffman, East Chambers, Anahuac, and the District 20-AAA Meet.

It was a successful year because the girls worked hard to improve their skills. They should be even better next season.

Lady Runners Have Best Year Yet

The 1985 Lady Hawk track team members are Mgr. C. Arguello, A. Edwards, P. Stelly, A. Jones, J. Jones, L. Atkins, M. Brown, Y. Hunter, L. Evans, Coach Dupree.

In the first row of the field event participants are Linda Atkins and Antionette Jones. In the second row are Aurora Edwards, Patty Stelly, and Monique Brown.

The 100 meter low hurdlers are Monique Brown, Linda Atkins, and Yolanda Hunter.

Running the 400 meter dash are Linda Evans and Antoinette Jones.

Jennifer Jones is the long distance lady, running the mile and 2 miles.

Monique Brown is the outstanding track girl as she won first place at the district meet in the triple jump. She then advanced to the regional meet in Brenham.

Coach Stapert, Coach Dupree, and Aurora Edwards appear victorious.

Jennifer Jones and Sherman Lemelle await their races.

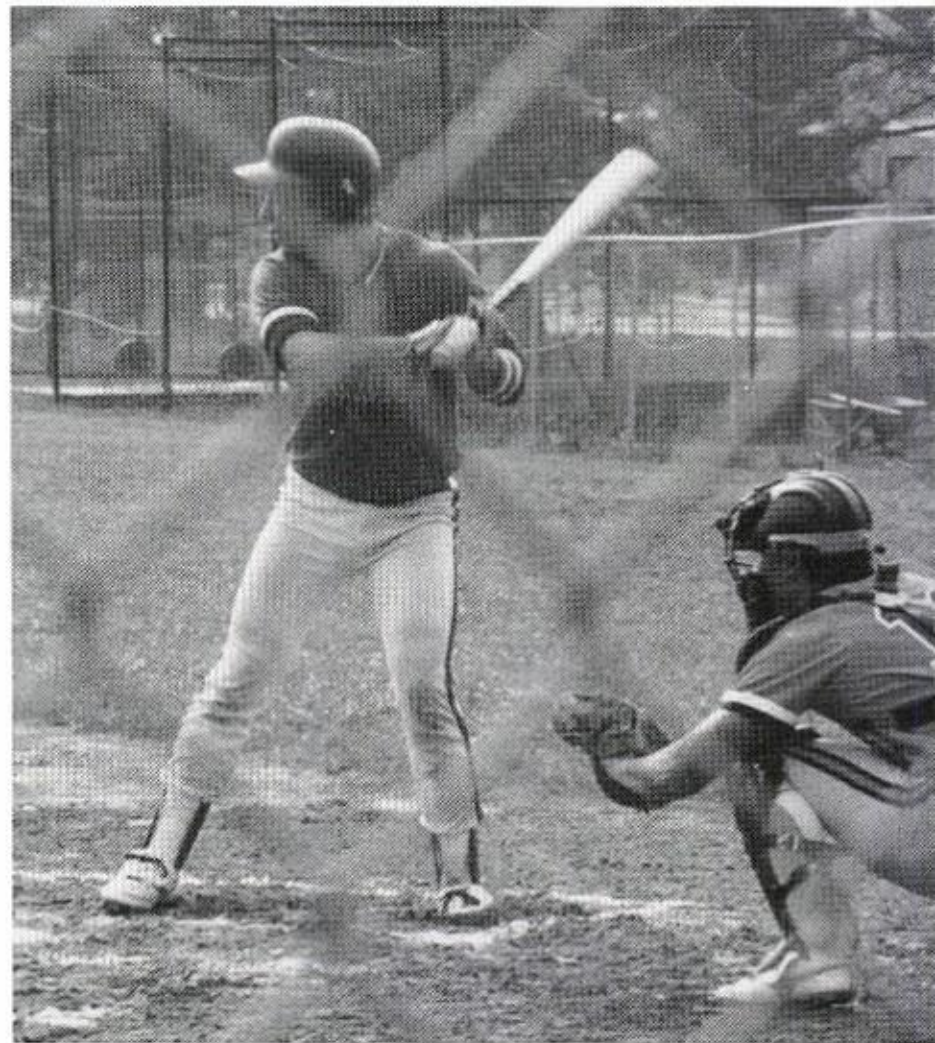

Hawk Baseball Has Great Start

The varsity started out great by winning three of their first four district games. Things went downhill from there. When it was all over, the Hawk's district record stood at five wins and seven losses. This put them in fourth place in the standings.

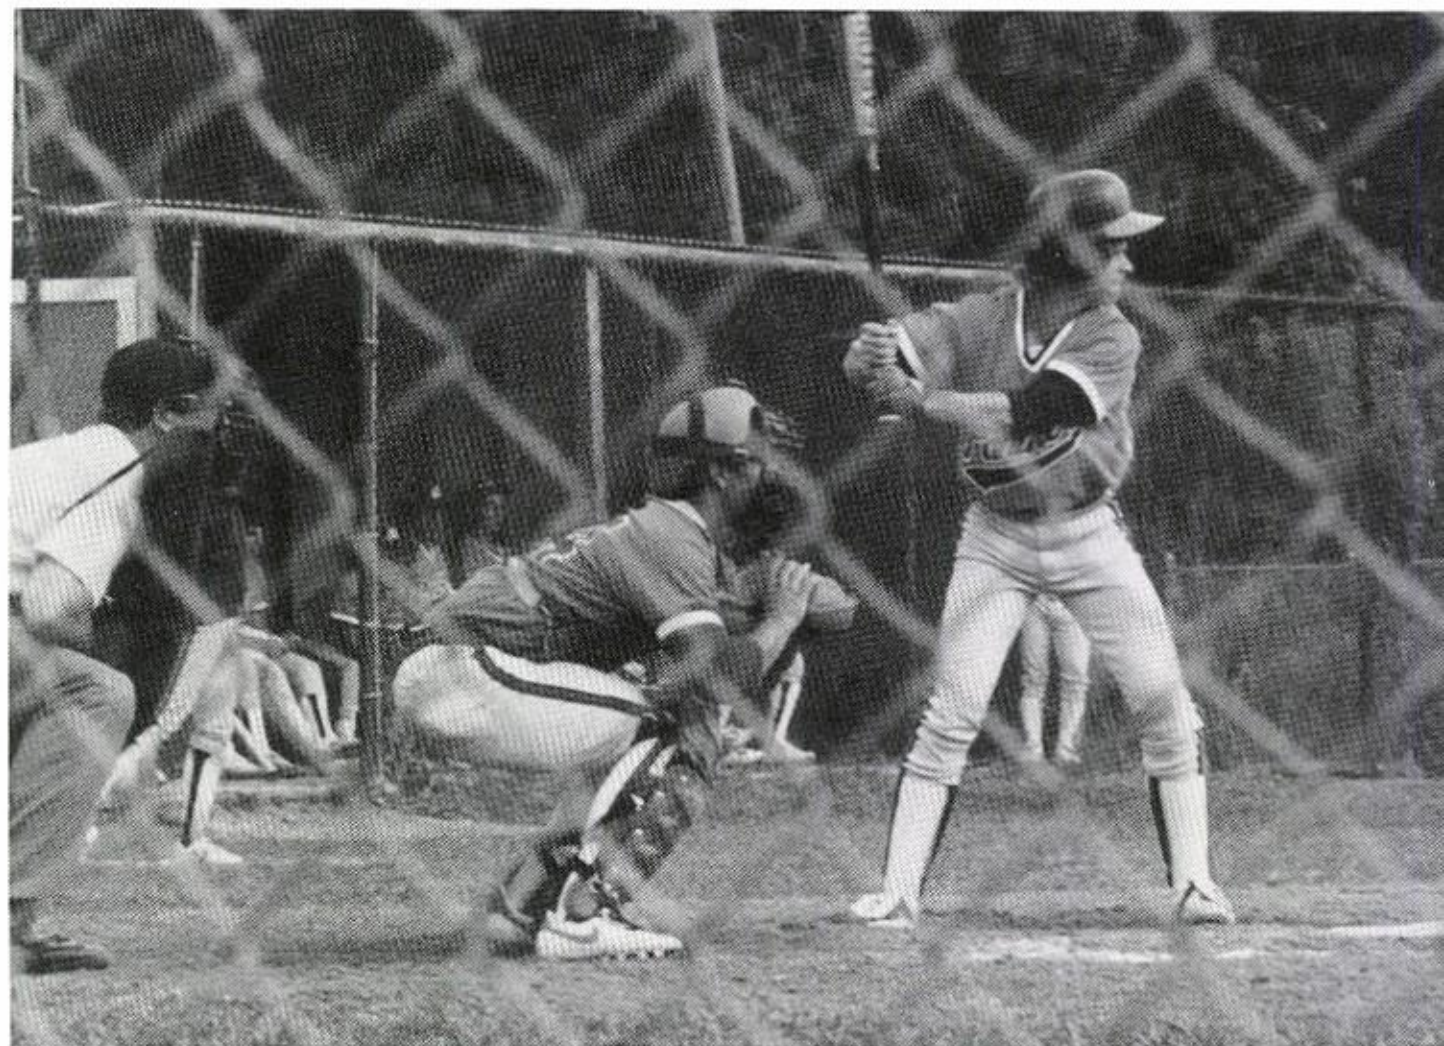

Individually, several Hawk players received honors. Mike Clifton and Jimmy Padgett made All-District at third base and first base respectively. Mical Padgett was second team All-District at pitcher. Brian Hamm was second team All-District at catcher. Clayton Doucet and Terrance Thomas each received Honorable Mention All-District.

Brian Hamm led the Hawks batting with a .465 batting average and received the Most Valuable Player Award for offense. Jimmy Padgett was the defensive standout and received the Most Valuable Player for defense.

According to Coach Cotton, "Overall, the season was disappointing as everyone likes to do a much better job than we did. I'm very optimistic about next year as we have some good ballplayers coming back and several more who have expressed a desire to play baseball next year."

Brian Hamm shows the form that made him the leading batter.

The Junior Varsity improved over last year's record by going five wins and eight losses. They all got a lot of valuable playing time that will help them out when they move up to the varsity.

Hawk Golfers Earn Tenth Consecutive Trip To State Tournament

The 1985 Hawk golf team won the district tournament by 40 strokes. Jason Barker was district medalist with an 85 and Terry Holt was second medalist with an 87. This is the second year we have had two medalists from our school. In regional play, the Hawks placed second and earned their tenth consecutive trip to the state tournament. Robert Morse led the team in regional play.

At the state tournament, H-J garnered an eighth place slot. State scores were: Robert Morse, 167, Terry Holt, 168, David Ortiz, 169, Robb Hamm, 175, and Jason Barker, Barker, 182.

Lady Hawks Golf Team Goes To State Tournament

The Lady Hawks golf team brought home the winning trophy in district play by defeating Barbers Hill. A regional win in Brenham by 40 strokes gained them a place in the state tournament. There they finished in sixth place. Since this is only the second year for the Lady Hawk golfers, their participation in state play is exceptional.

The team consists of Jill Abernathy, Kim Marble, Tammie Nolte, Wendy Turk, and Timi Tyner. In district play, Jill was Medalist and Tammie was second medalist. In regional play, Jill was second medalist.

Hardin-Jefferson Tennis Teams Sweep District Tournament

It was definitely Hardin-Jefferson's day at the district tennis tournament. David LaFevers won first in boy's singles. Shawn Brantley, who was seeded first, proved that by winning first in the girl's singles. Hardin-Jefferson again demonstrated their skill by coming out on top in the doubles division. The team of Tommy Low and Ty Hancock defeated their opponents as did Kelly Nolan and Denise Bell. In addition to these triumphs, Melinda Bailey took second place in the girl's singles.

"We dominated the whole tournament. It was great! This is the first time this has ever happened in the whole district," said Coach Mushlian. District wins enabled these players to go to the regional tournament.

Coach Mushlian led the team to a district title.

Honors For Most Handsome And Beautiful Go To.

ROCKY ROCQUMORE

Although his classmates think Rocky is the Most Handsome senior, he has been too busy with basketball to think much about his looks. Voted an All-State player two years in a row, he was also the state's leading scorer in 1985.

JODIE WINTER

Elected Most Beautiful for obvious reasons, Jodie has also been involved in several school programs. She is a member of FHA and is active in the work of her church.

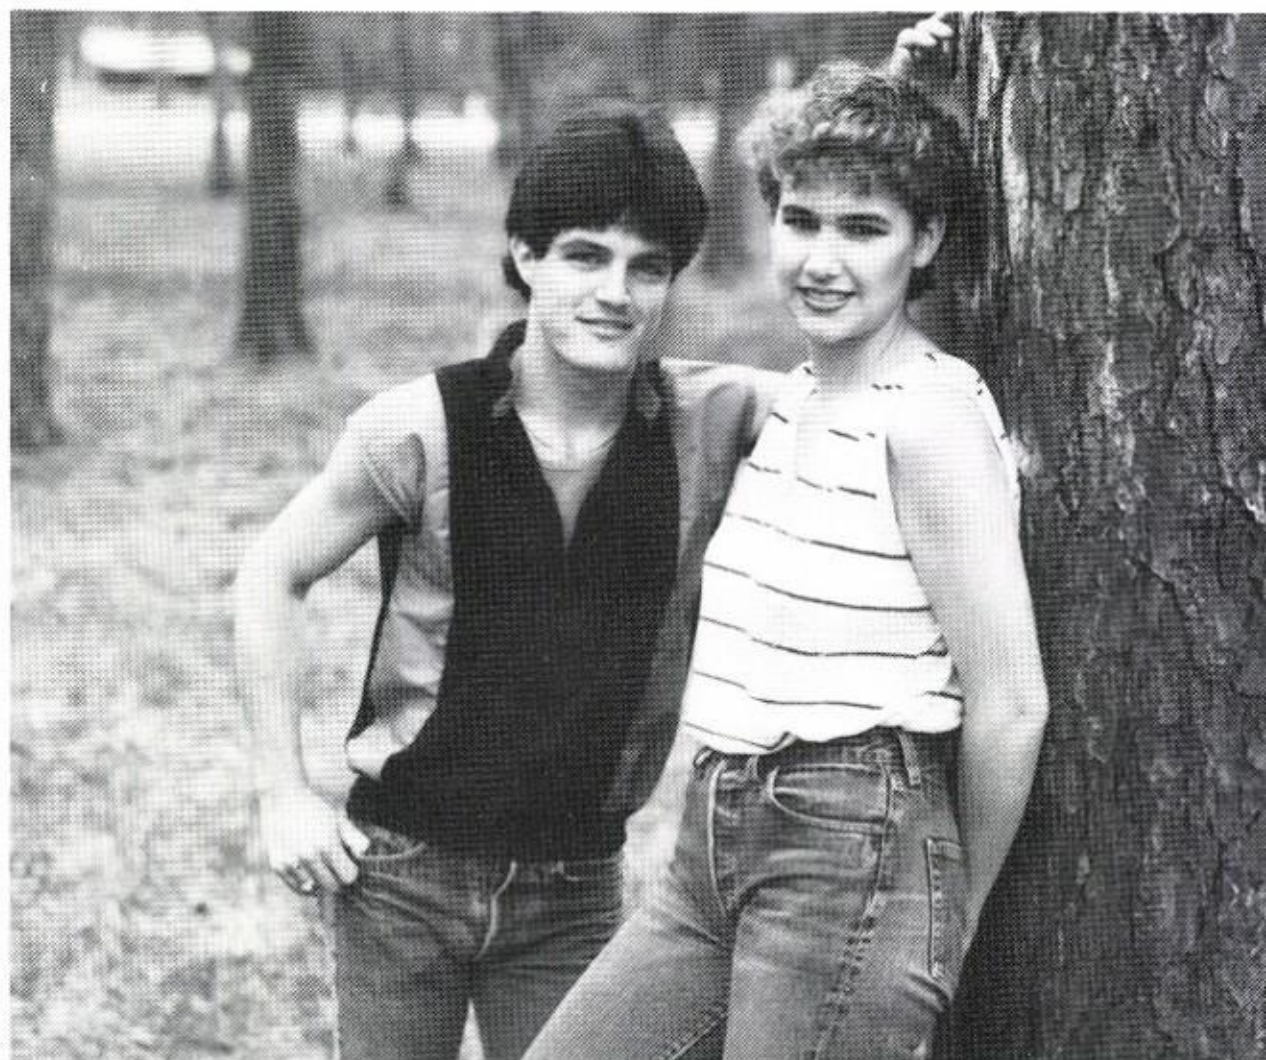

Honors For Being The Wittiest Go To . . .

RON CHASE

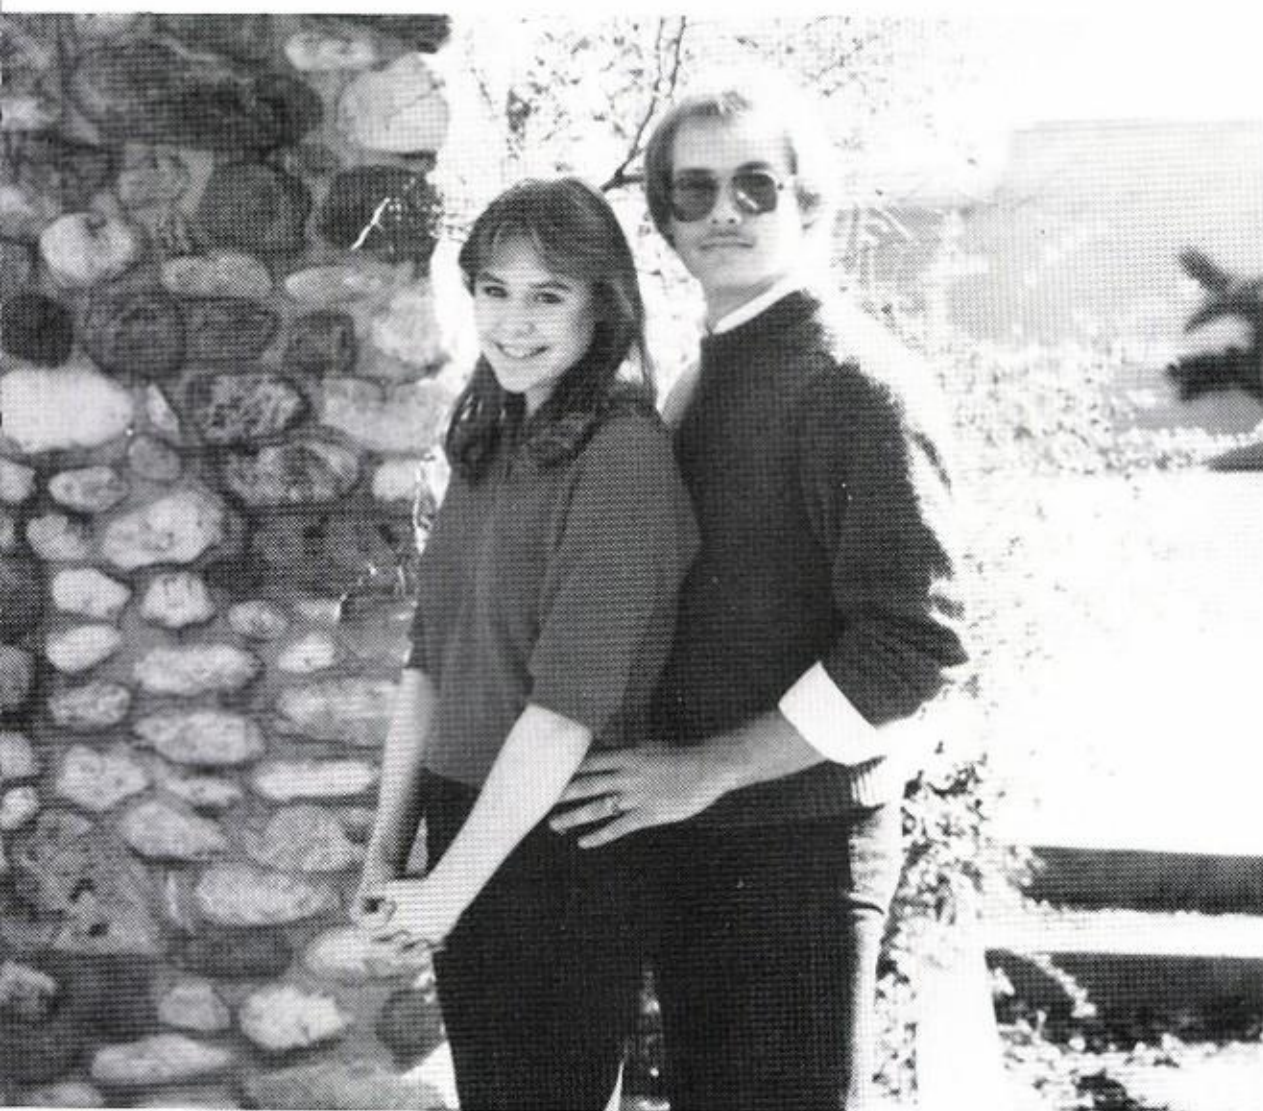

Ron has been a very active participant in many school activities. In addition to being the first "Super Hawk", he was the photographer for the Hawk Squad, won district honors in journalism, and played baseball.

KIM WRIGHT

Anyone who has ever had a class with Kim knows why she was elected Wittiest. Her infectious laugh, funny stories about herself, and constant good humor make her a favorite of everyone.

Honors For Best Personality Go To . . .

TONJA MANUEL

Tonja has put her personality to work by becoming a member of Who's Who Among American High School Students. She has been a band member for four years, making the District Band three of those years and the Region Band in 1985. Tonja is also a member of the choir.

DANIEL DAVIS

Daniel, 1985 Student Body President, has been active in FFA, serving as president of that group for two years. He attended the state contest in Extemporaneous Speaking and was District Debate champion. Daniel also participates in FCA and 4-H work.

Honors For Best Dressed Go To . . .

JIMMY LONNETTE

Jimmy Lonnette, with a combination of neat, attractive, and "mod" attire has been selected as the best-dressed senior boy. Other than clothes, Jimmy is most interested in basketball, having played all four years of high school and having been on the state runner-up team.

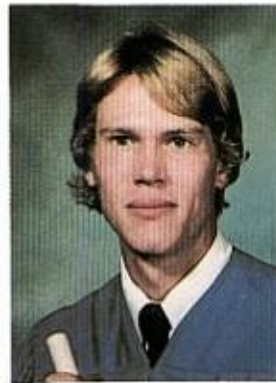

STEPHANIE LANDRUM

Stephanie Landrum, sometimes called the "Cyndi Lauper of H-J", is considered to be the best-dressed senior girl by her classmates. She is a three-year member of the Spanish Club, a member of the band, 4-H, FCA, the choir, and the tennis team.

Those Retiring Will Be Greatly Missed

Pat Morris, speaking with Mr. Kenneth Pelt, is retiring after thirty-four years in education. Many people in Sour Lake will always have the skills they learned in Mr. Morris' shop class. Others will remember his concern and advice during his years as guidance counselor at Hardin-Jefferson High School.

Ruby Prejean is retiring after thirty years in education, twenty-six of them in this district. Mrs. Prejean started her career teaching in a segregated system. She was one of the leaders for integration and has taught more than one generation of children to read.

Royalene Ellis is retiring after twenty-eight years in education. Mrs. Ellis worked as a hospital nurse before she became the school nurse in Sour Lake. "Nurse Ellis" has taken care of many sick children with concern and kindness as well as medical skill.

Graduation

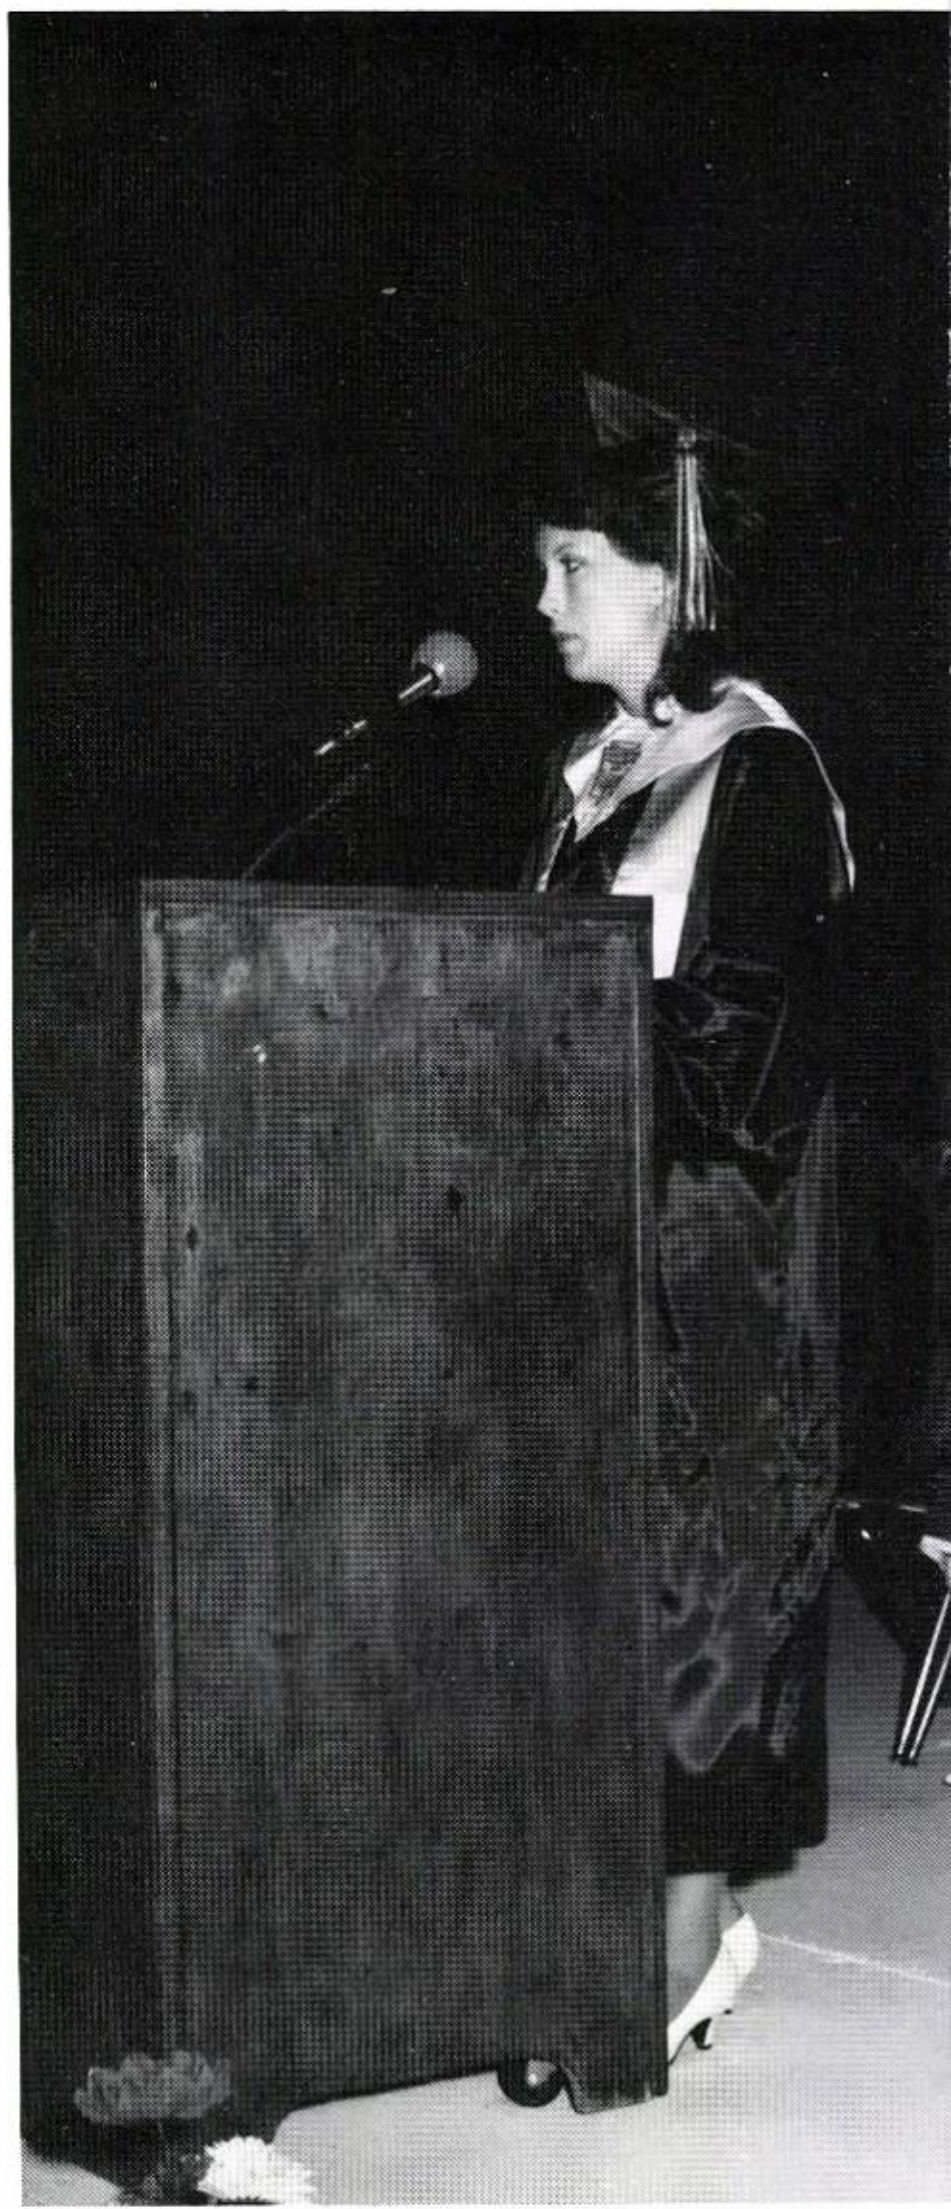

This is the dance pavilion of the Sour Springs Hotel in front of which was found oil on Texas Company land.

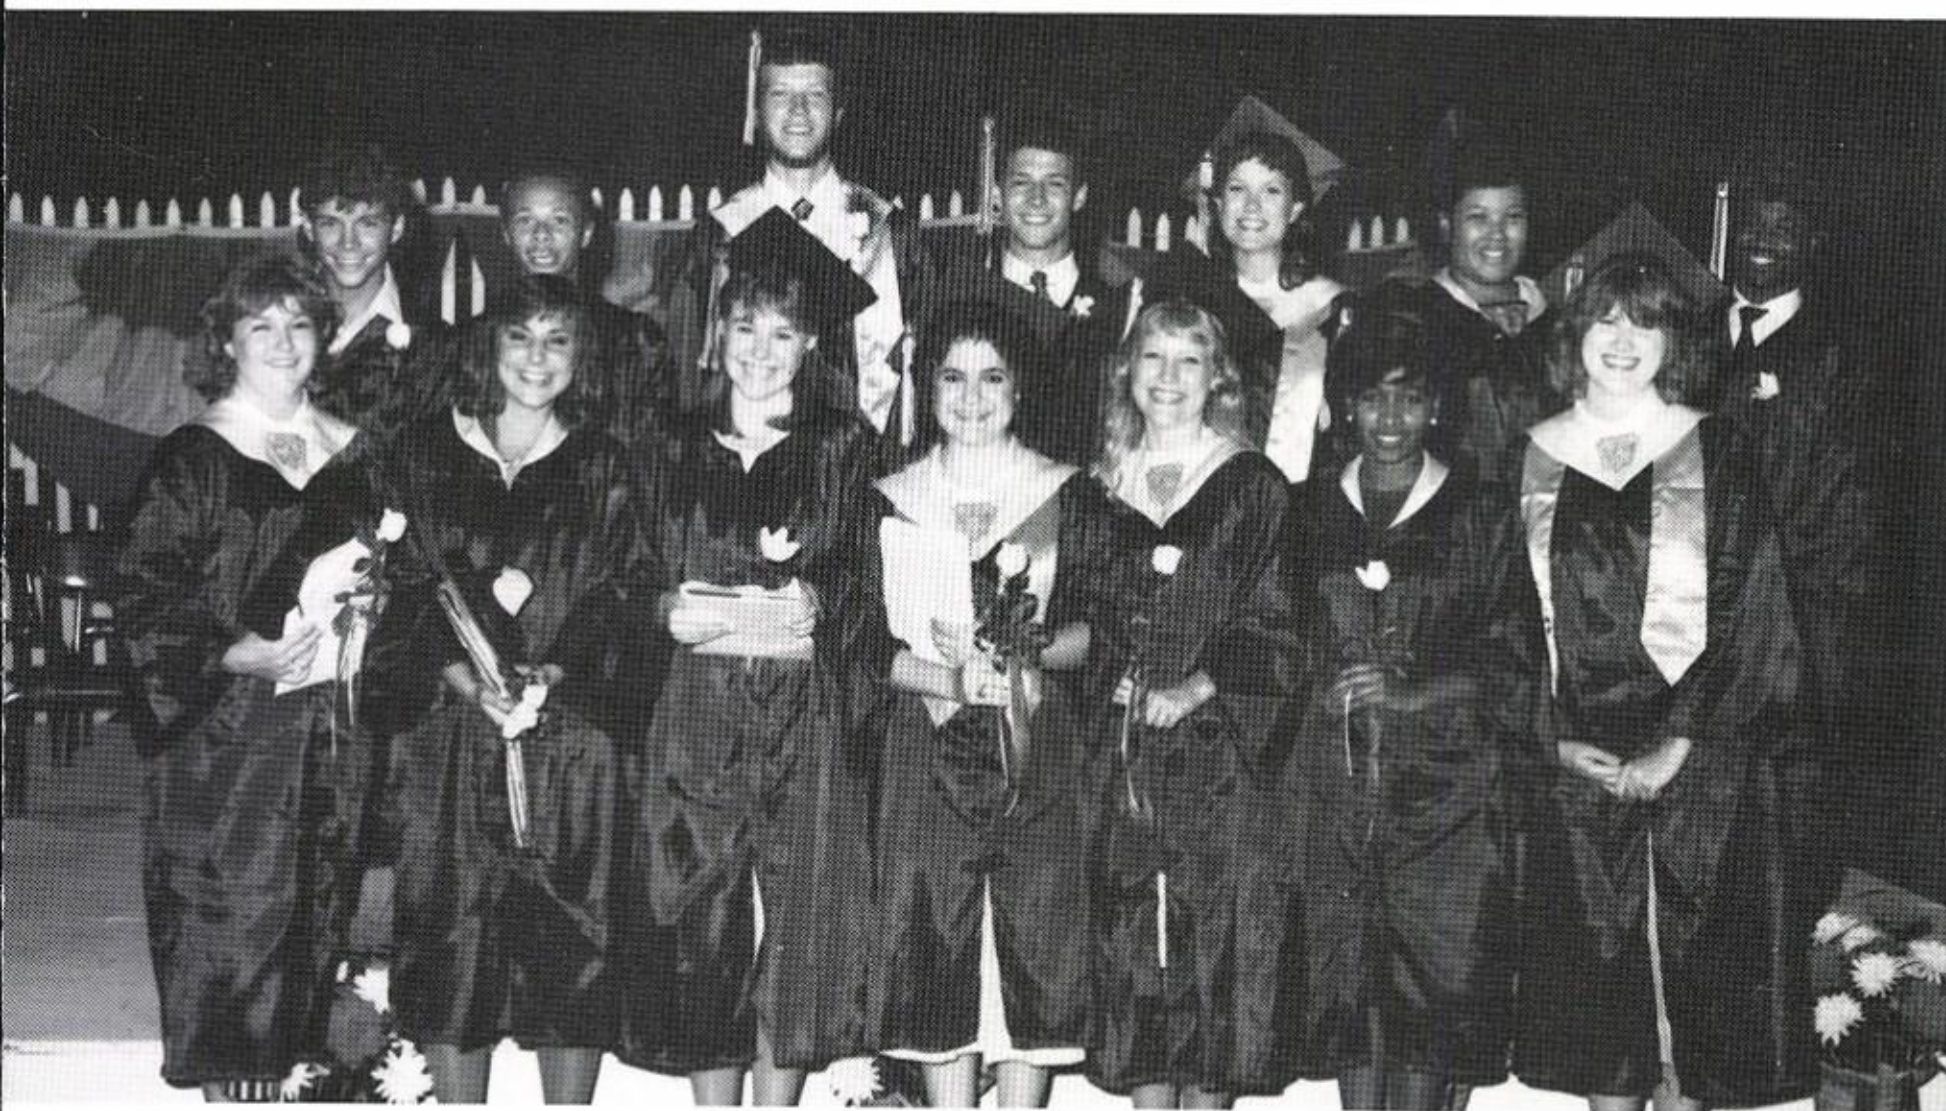

High-Ranking Seniors Speak At Graduation

"I feel that I've reached a big goal in my life. It's taken a lot of hard work, but it's paid off," is how Jaylyn Burrows feels about being valedictorian.

Beth Baird is the salutatorian. She said, "I'm satisfied with my rank. I believe that I have accomplished what I've wanted to."

1985 Scholarship recipients are, Row 1: Jill Abernathy - The Woman's Club of Sour Lake and H-J Education Association, Doris Hidalgo - H-J Education Association, Tonja Manuel - Band Boosters, Jaylyn Burrows - Texas Gulf Chemical and Valedictory, Rhonda LeDoux - James H. Henderson Memorial, Barbara Shields - Prairie View Drama, Mary Wright - Class of 1960 Memorial; Row 2: Robb Hamm - Lion Green Golf, Randee Edwards - Band Boosters, Brett Kolander - H-J Administrators, Jimmy Smith - Larry Aldrich Memorial, Beth Laird - Vocational Education Teachers and Bob Chisum and Salutatory, Sharon Pitre - China PTO and James H. Henderson Memorial, Terrance Thomas - Minnie Lee Dromgoole Memorial

Seniors toss their caps with joy!
